So...

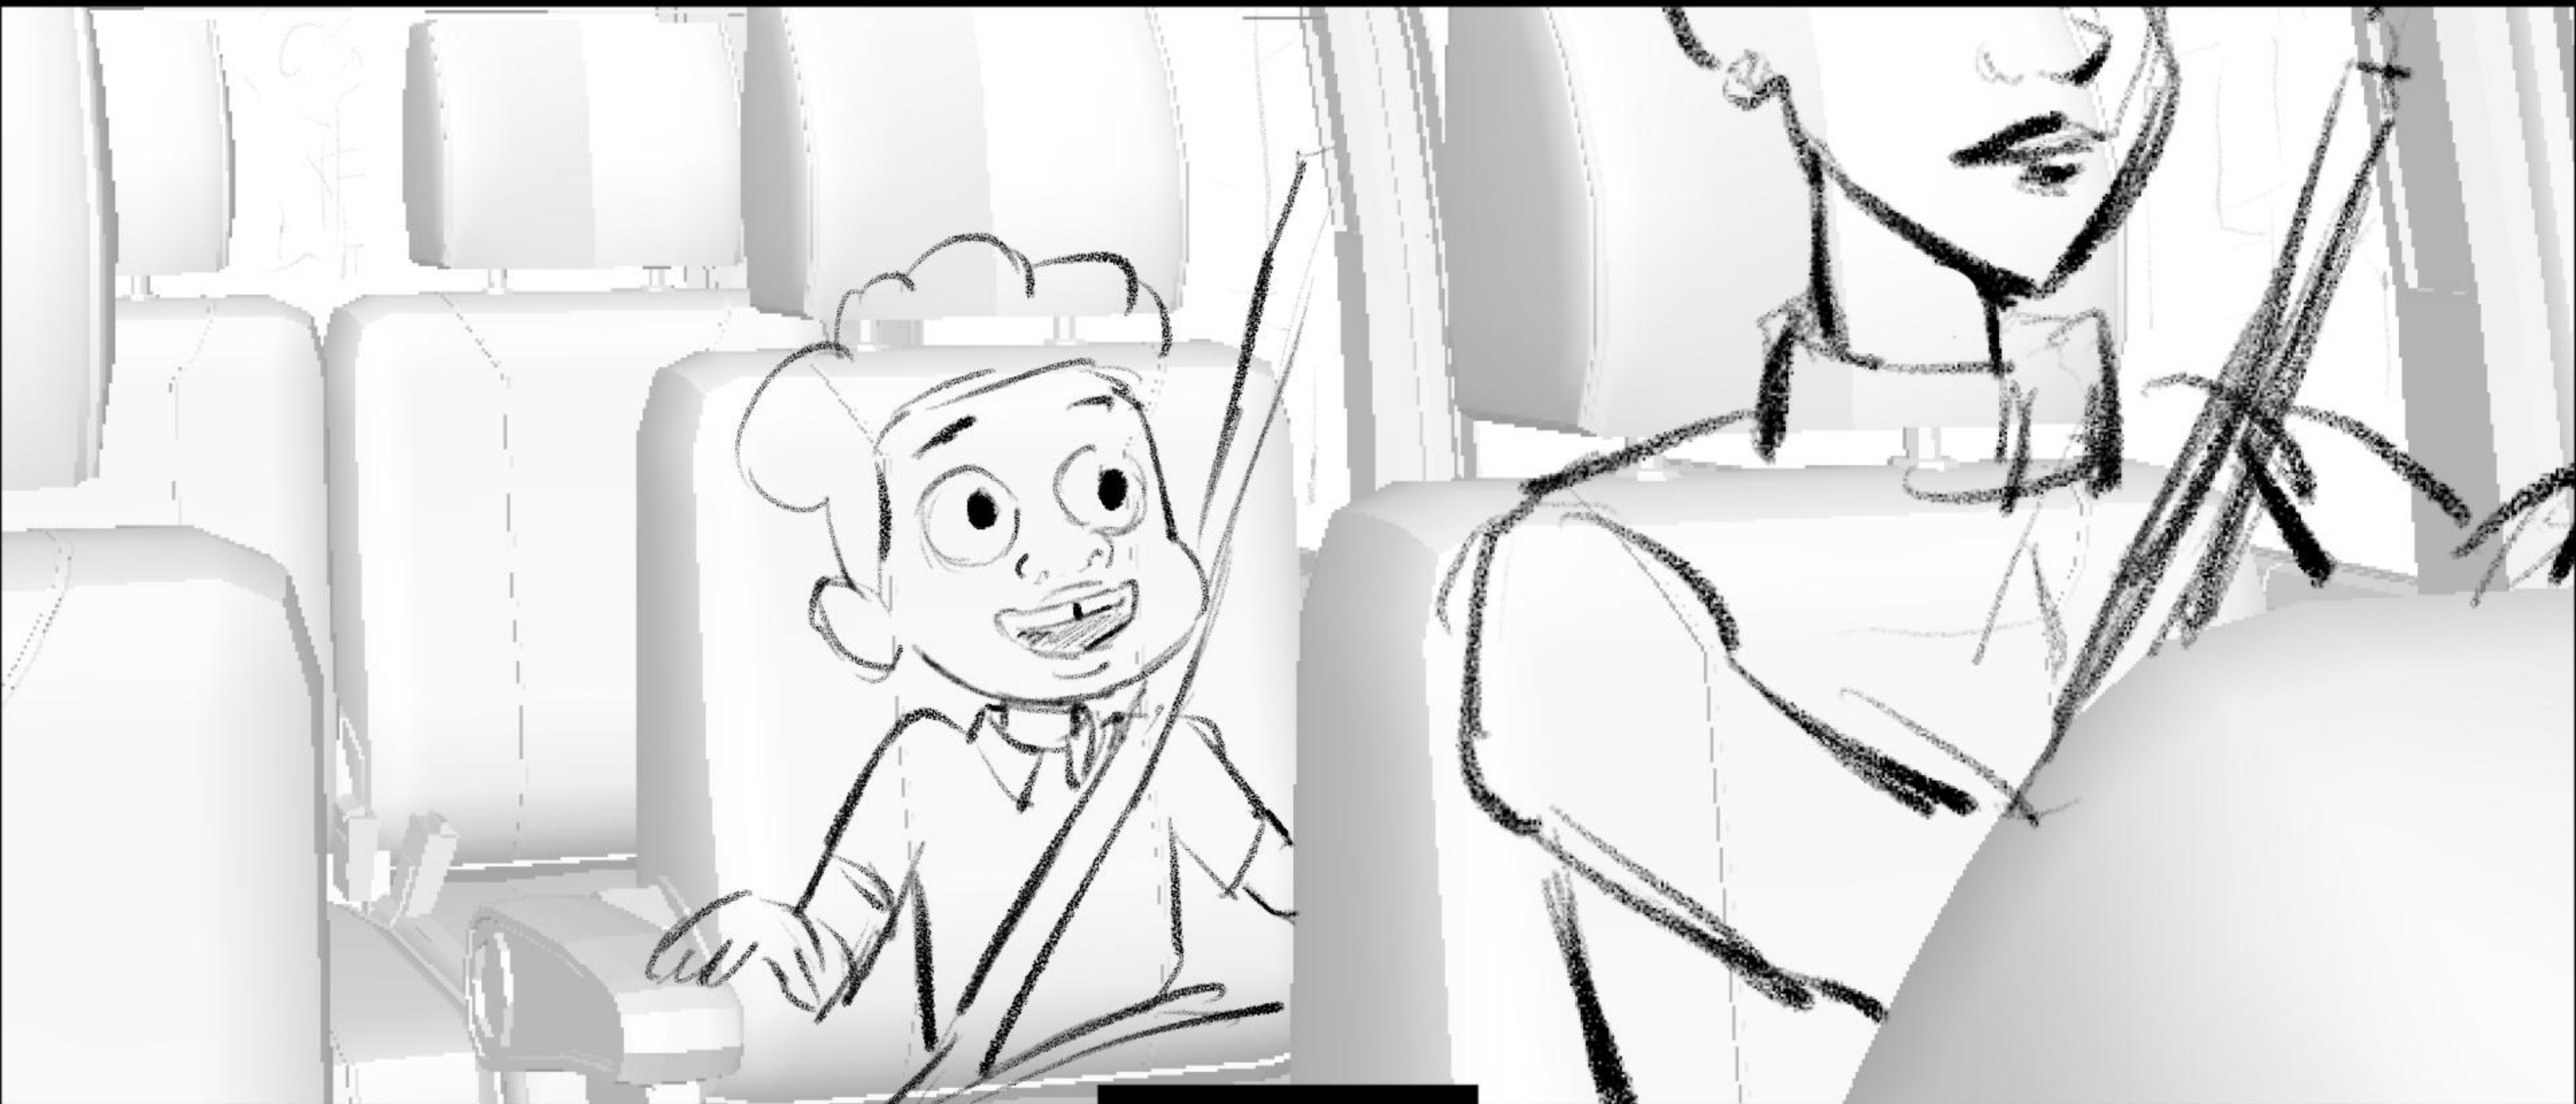

Dad's taking you to Splashtown for your birthday.

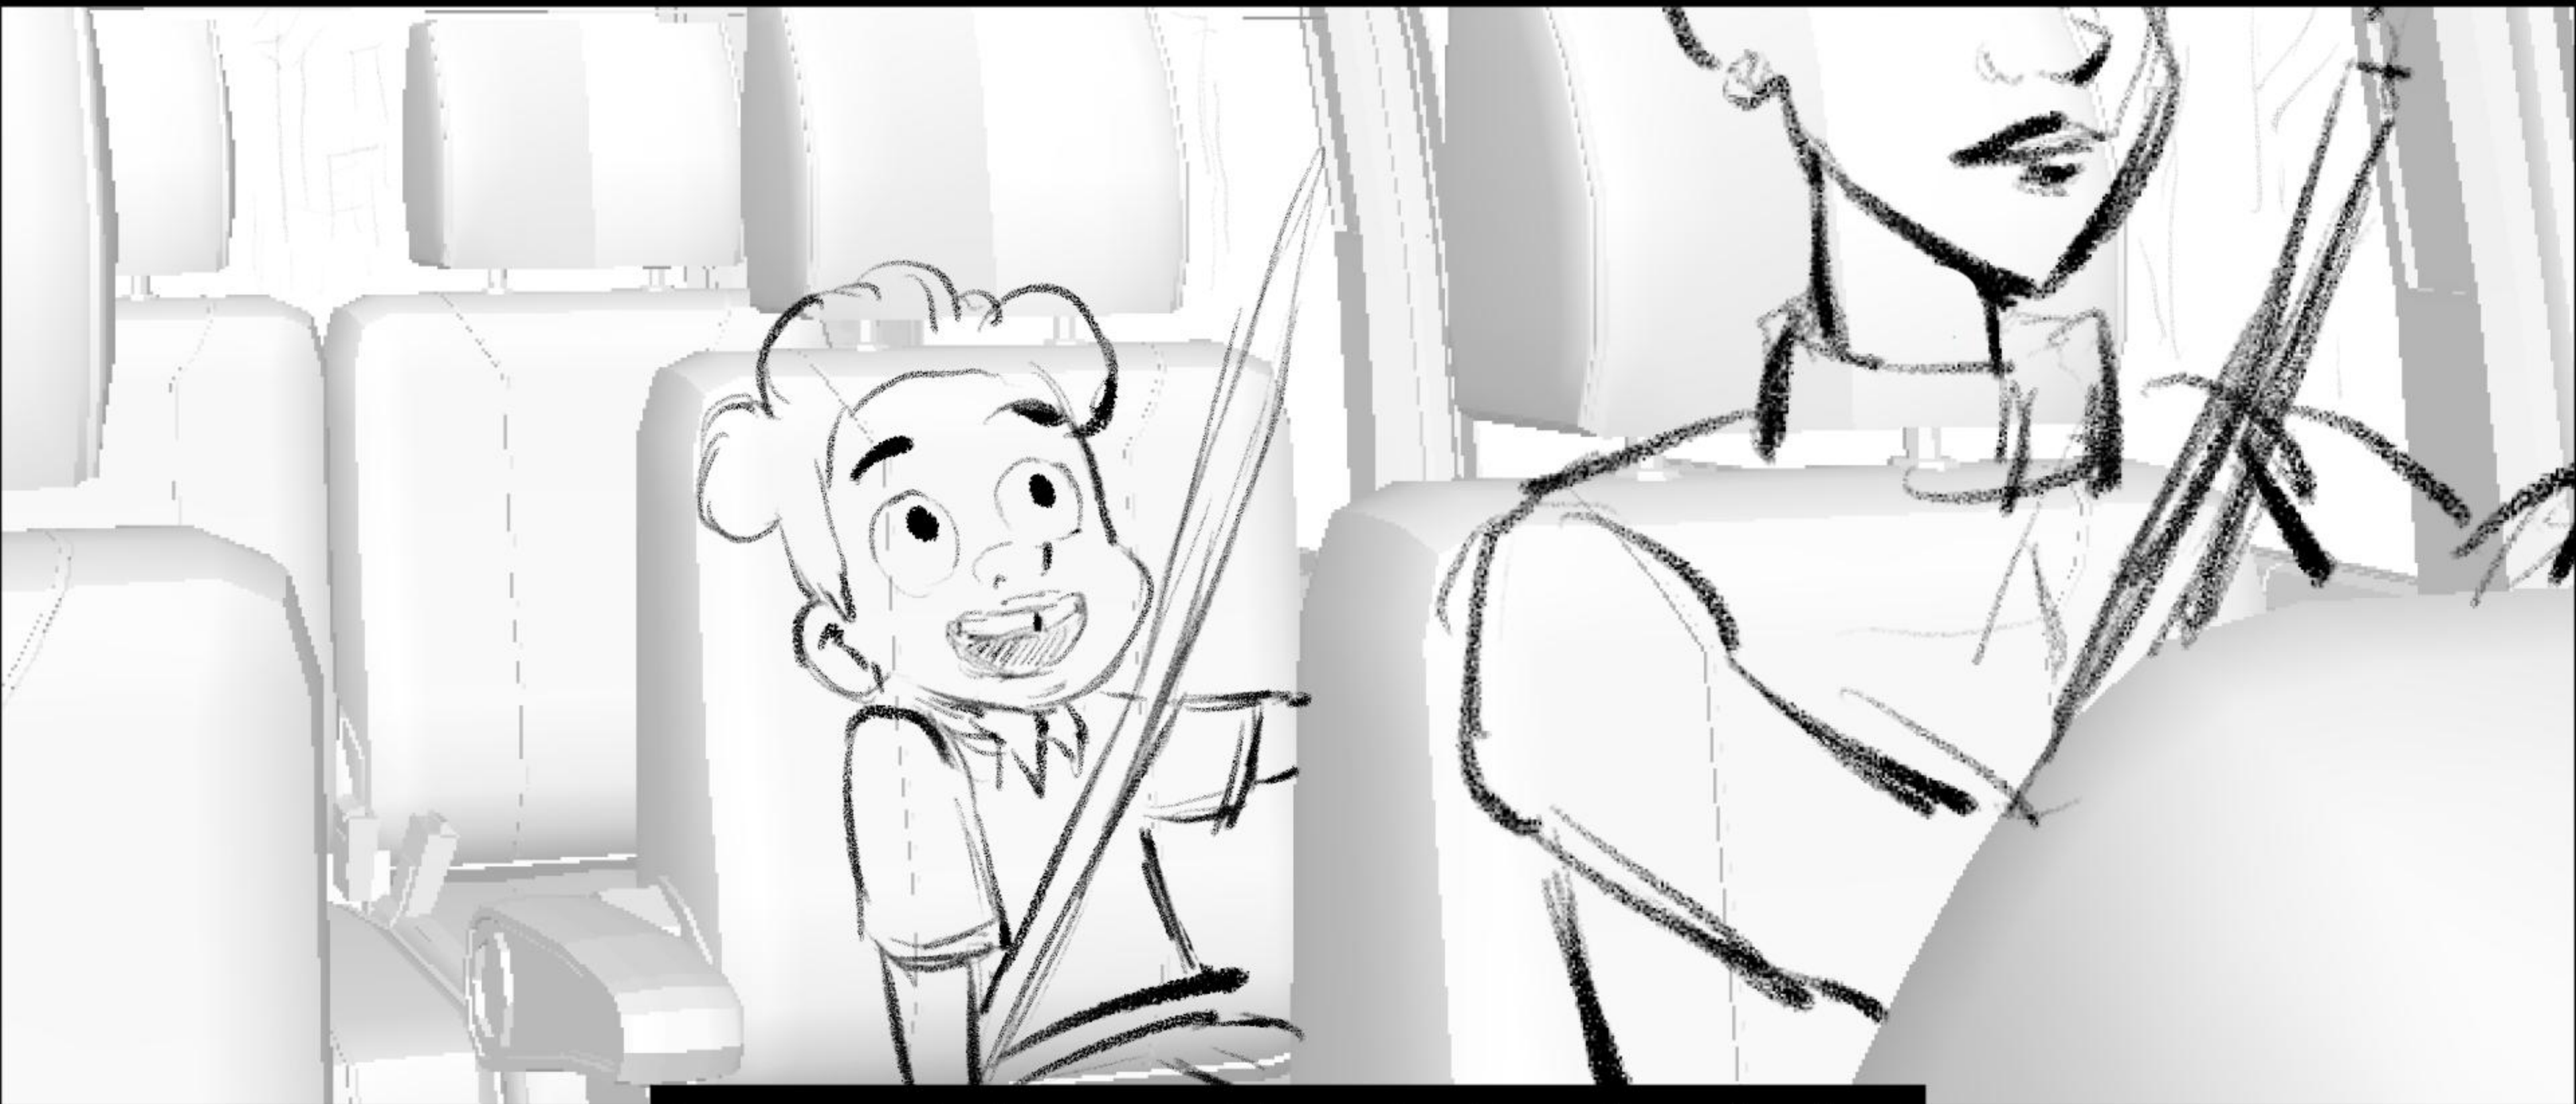

Are you excited Sean?

Yeah! I can't wait!

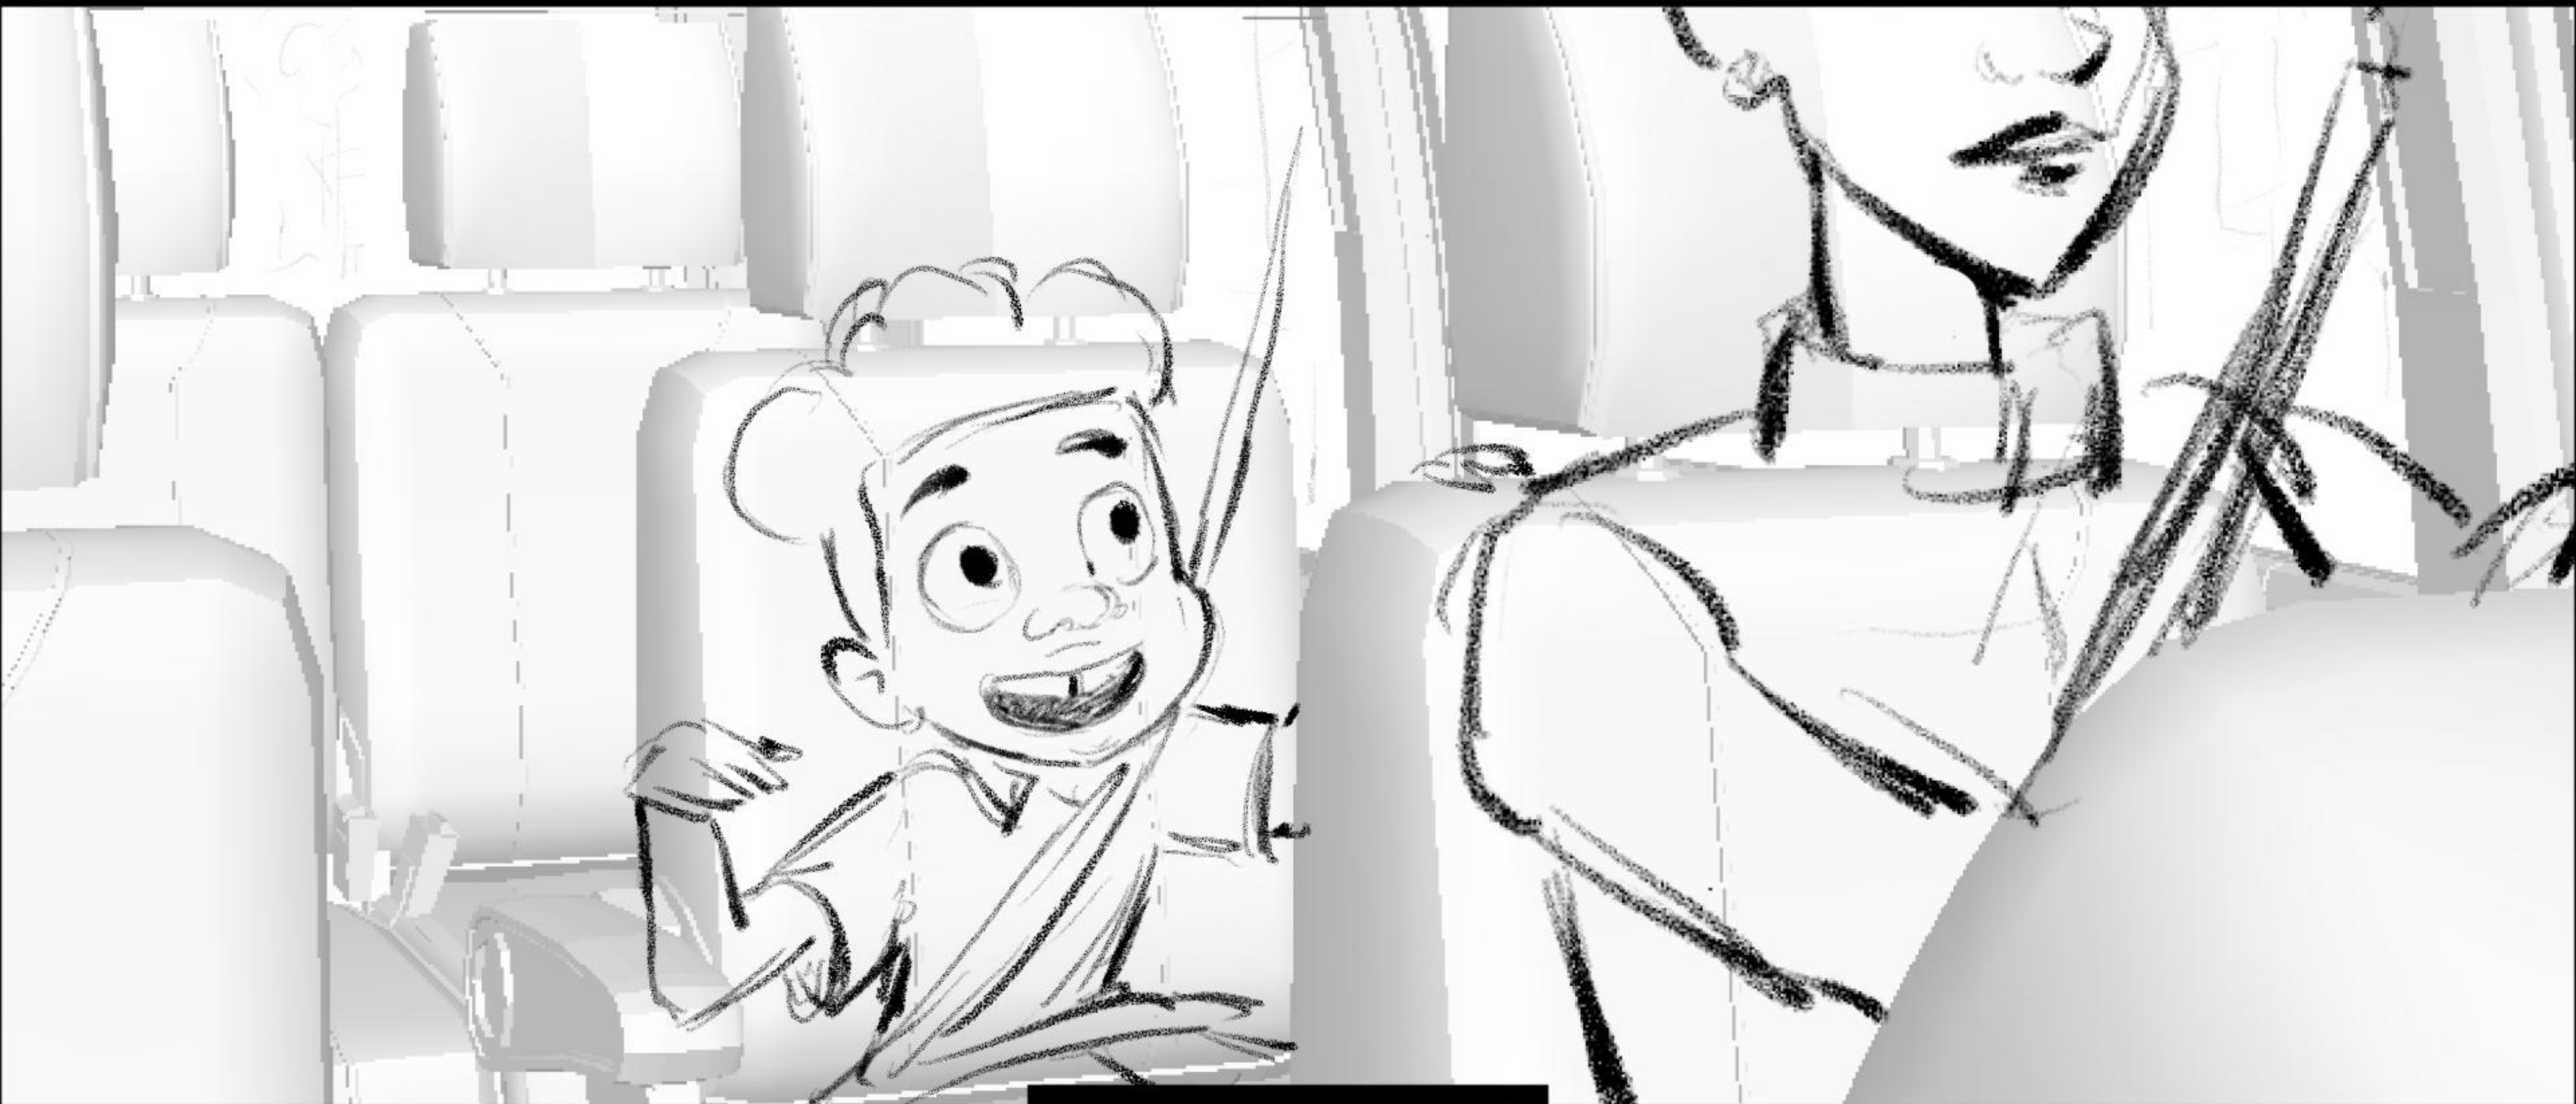

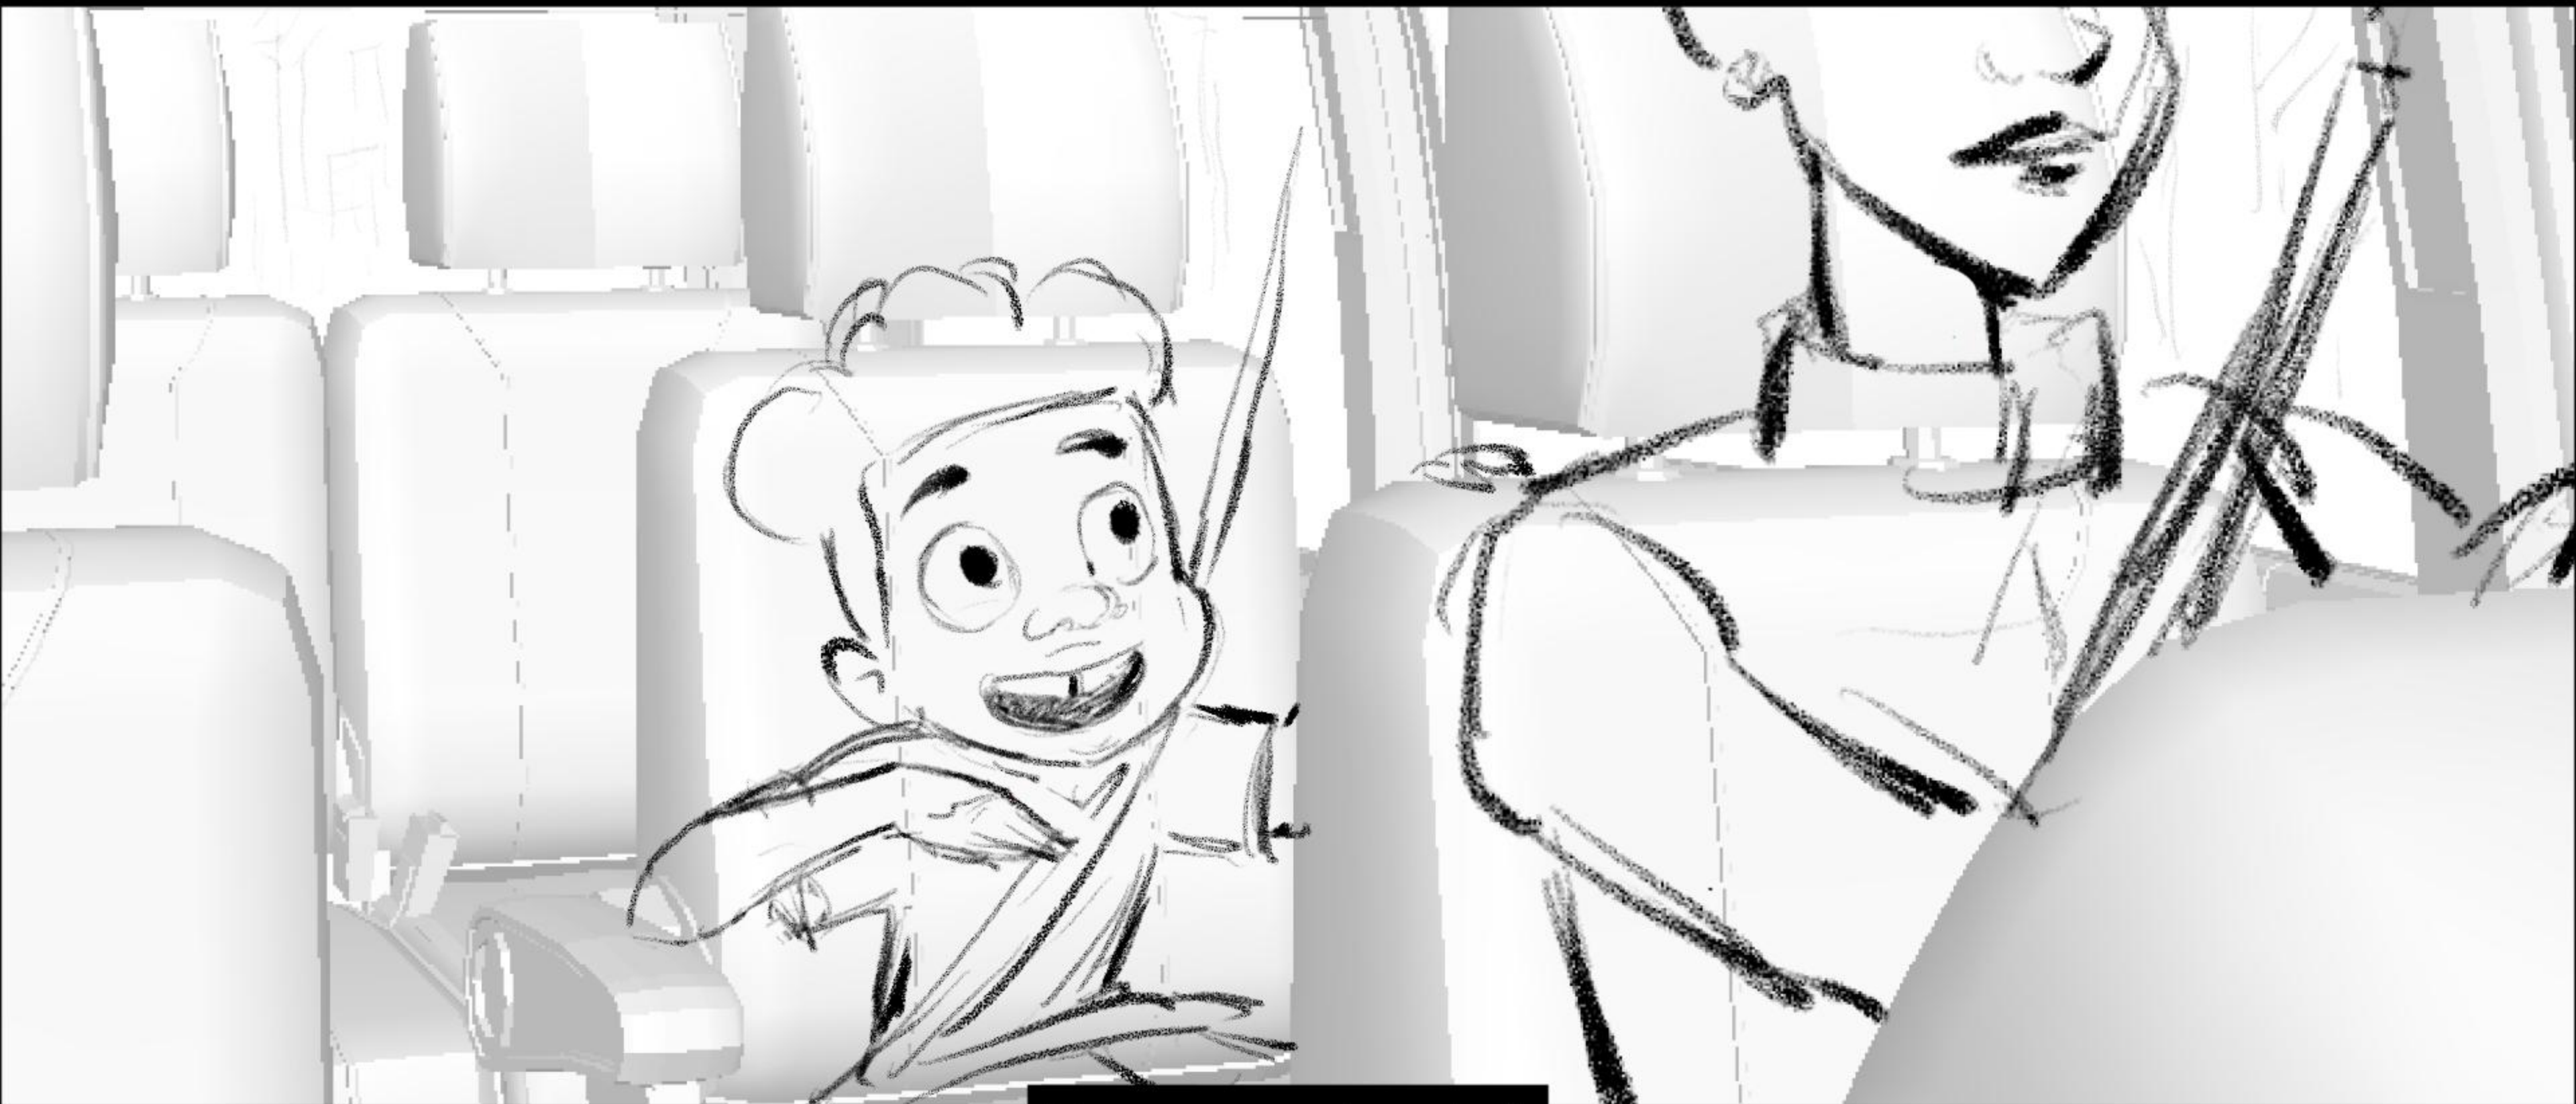

I'm gonna make him go on all the waterslides with me this time!

There this one, "The Devastator",

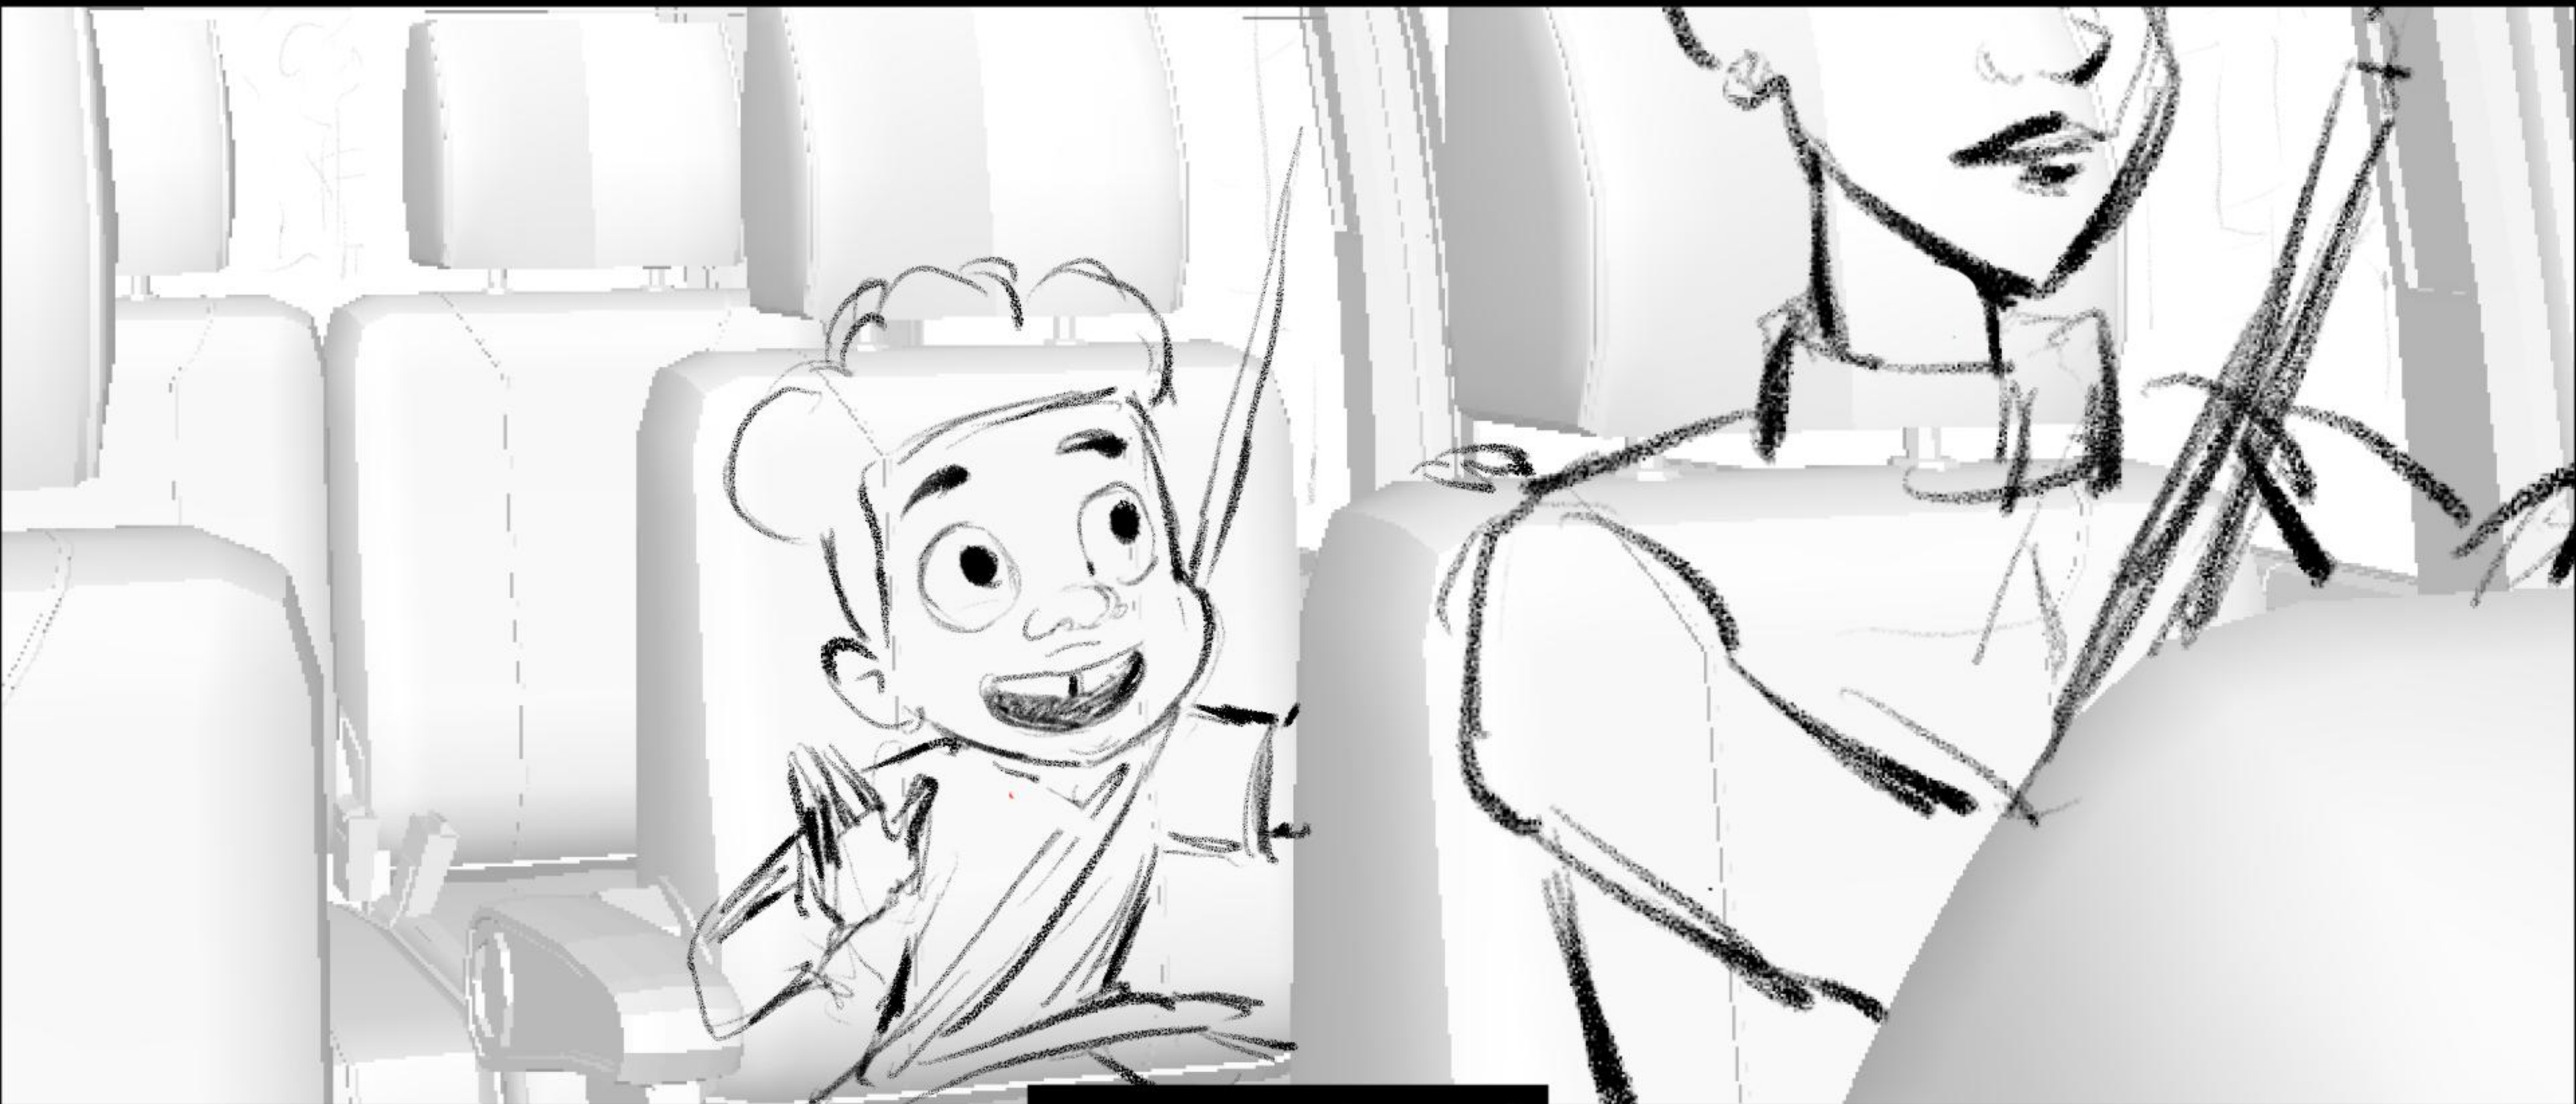

it has so many turns in it,

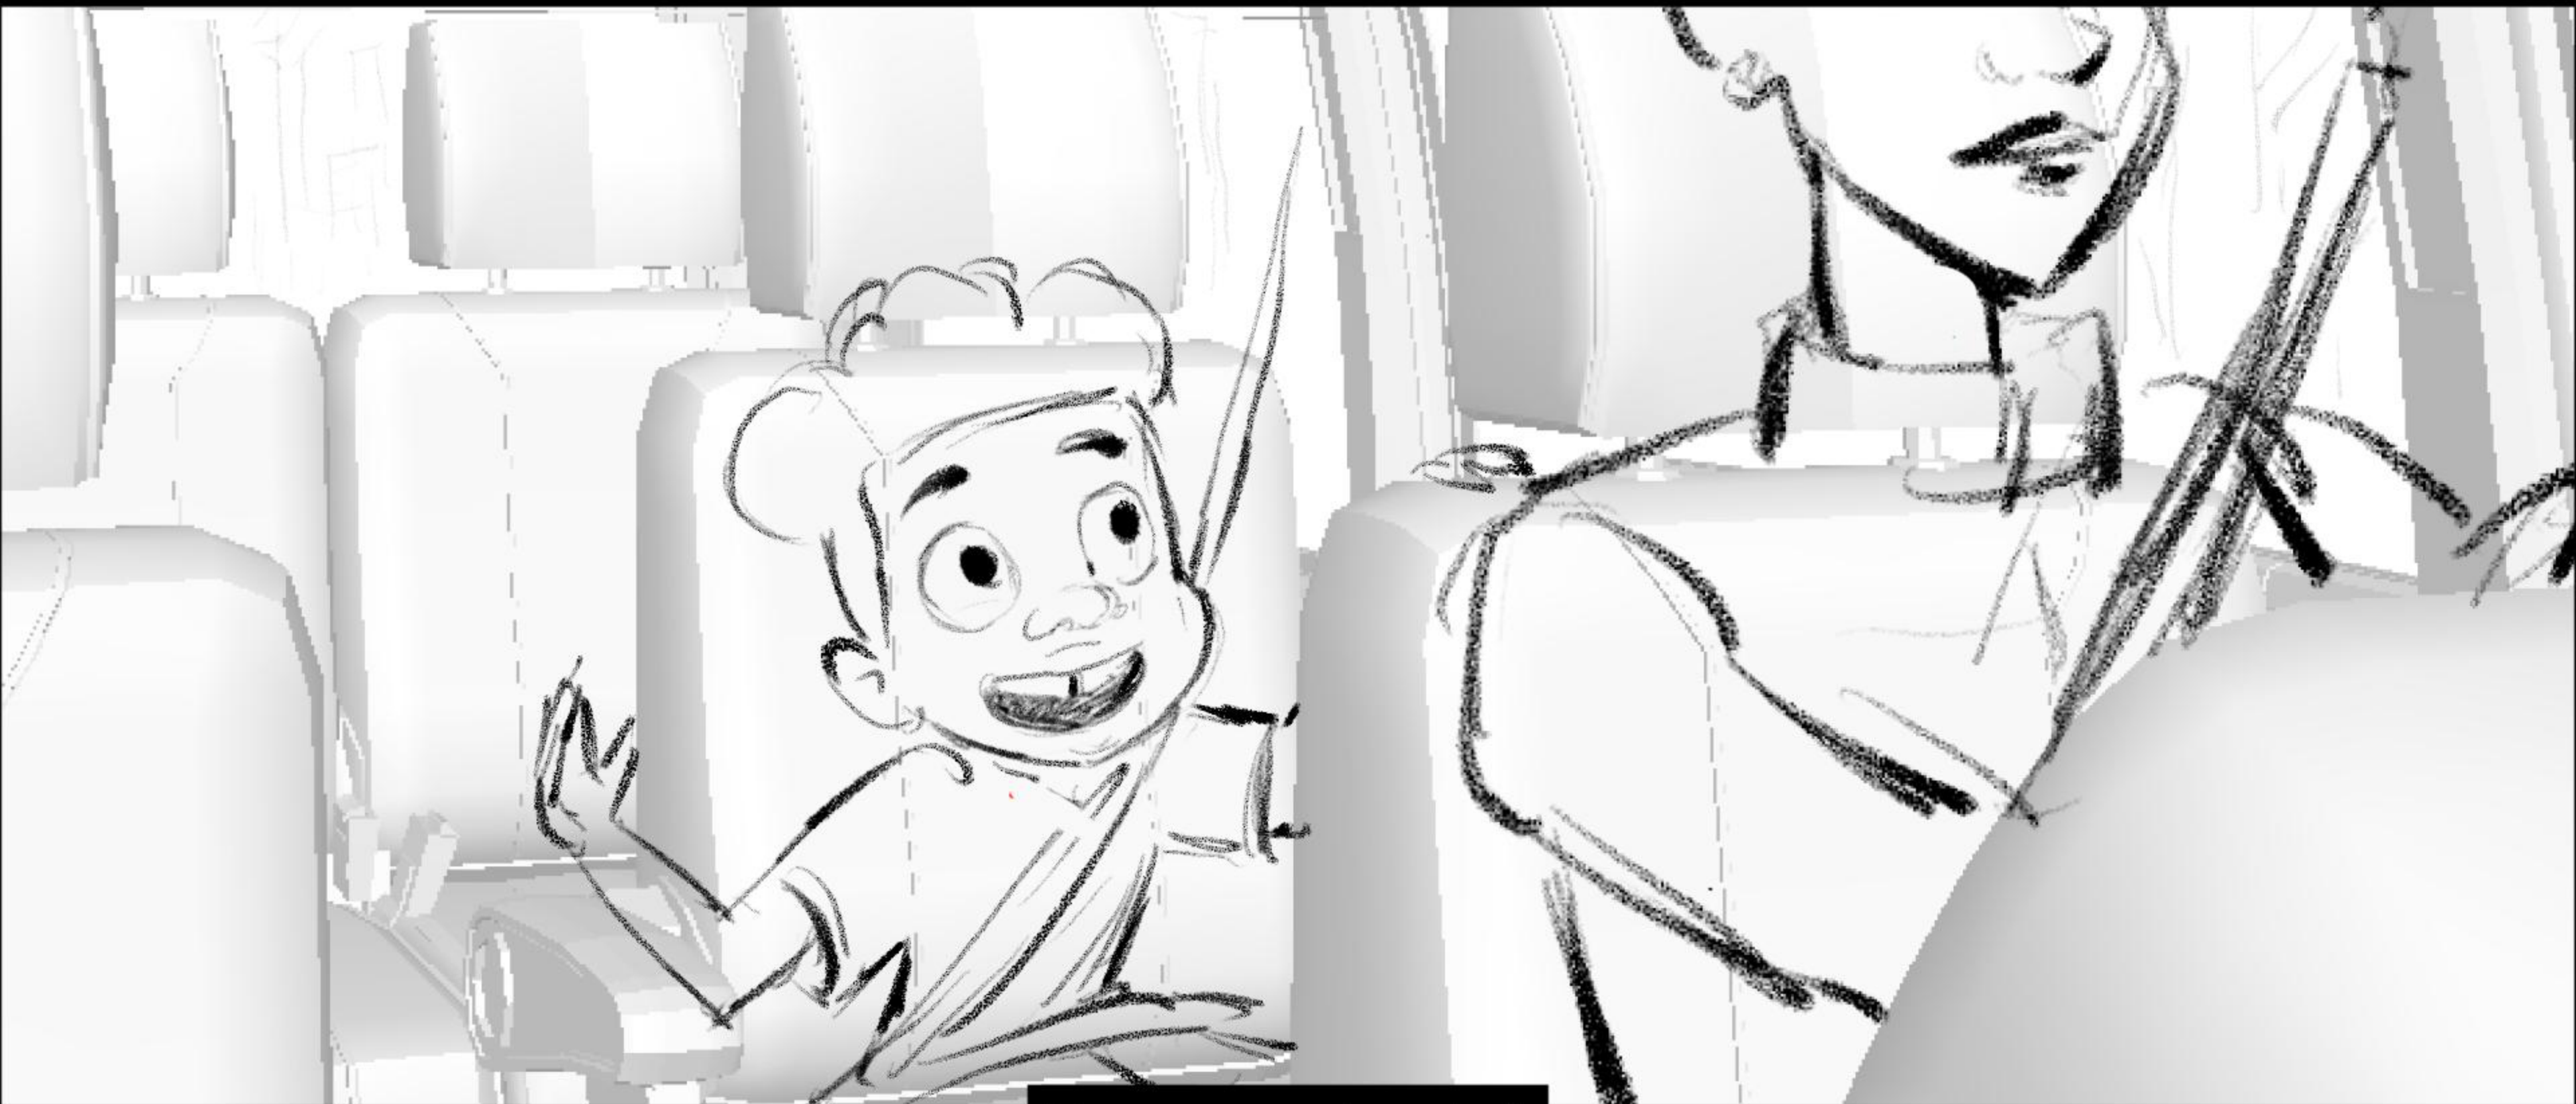

it has so many turns in it,

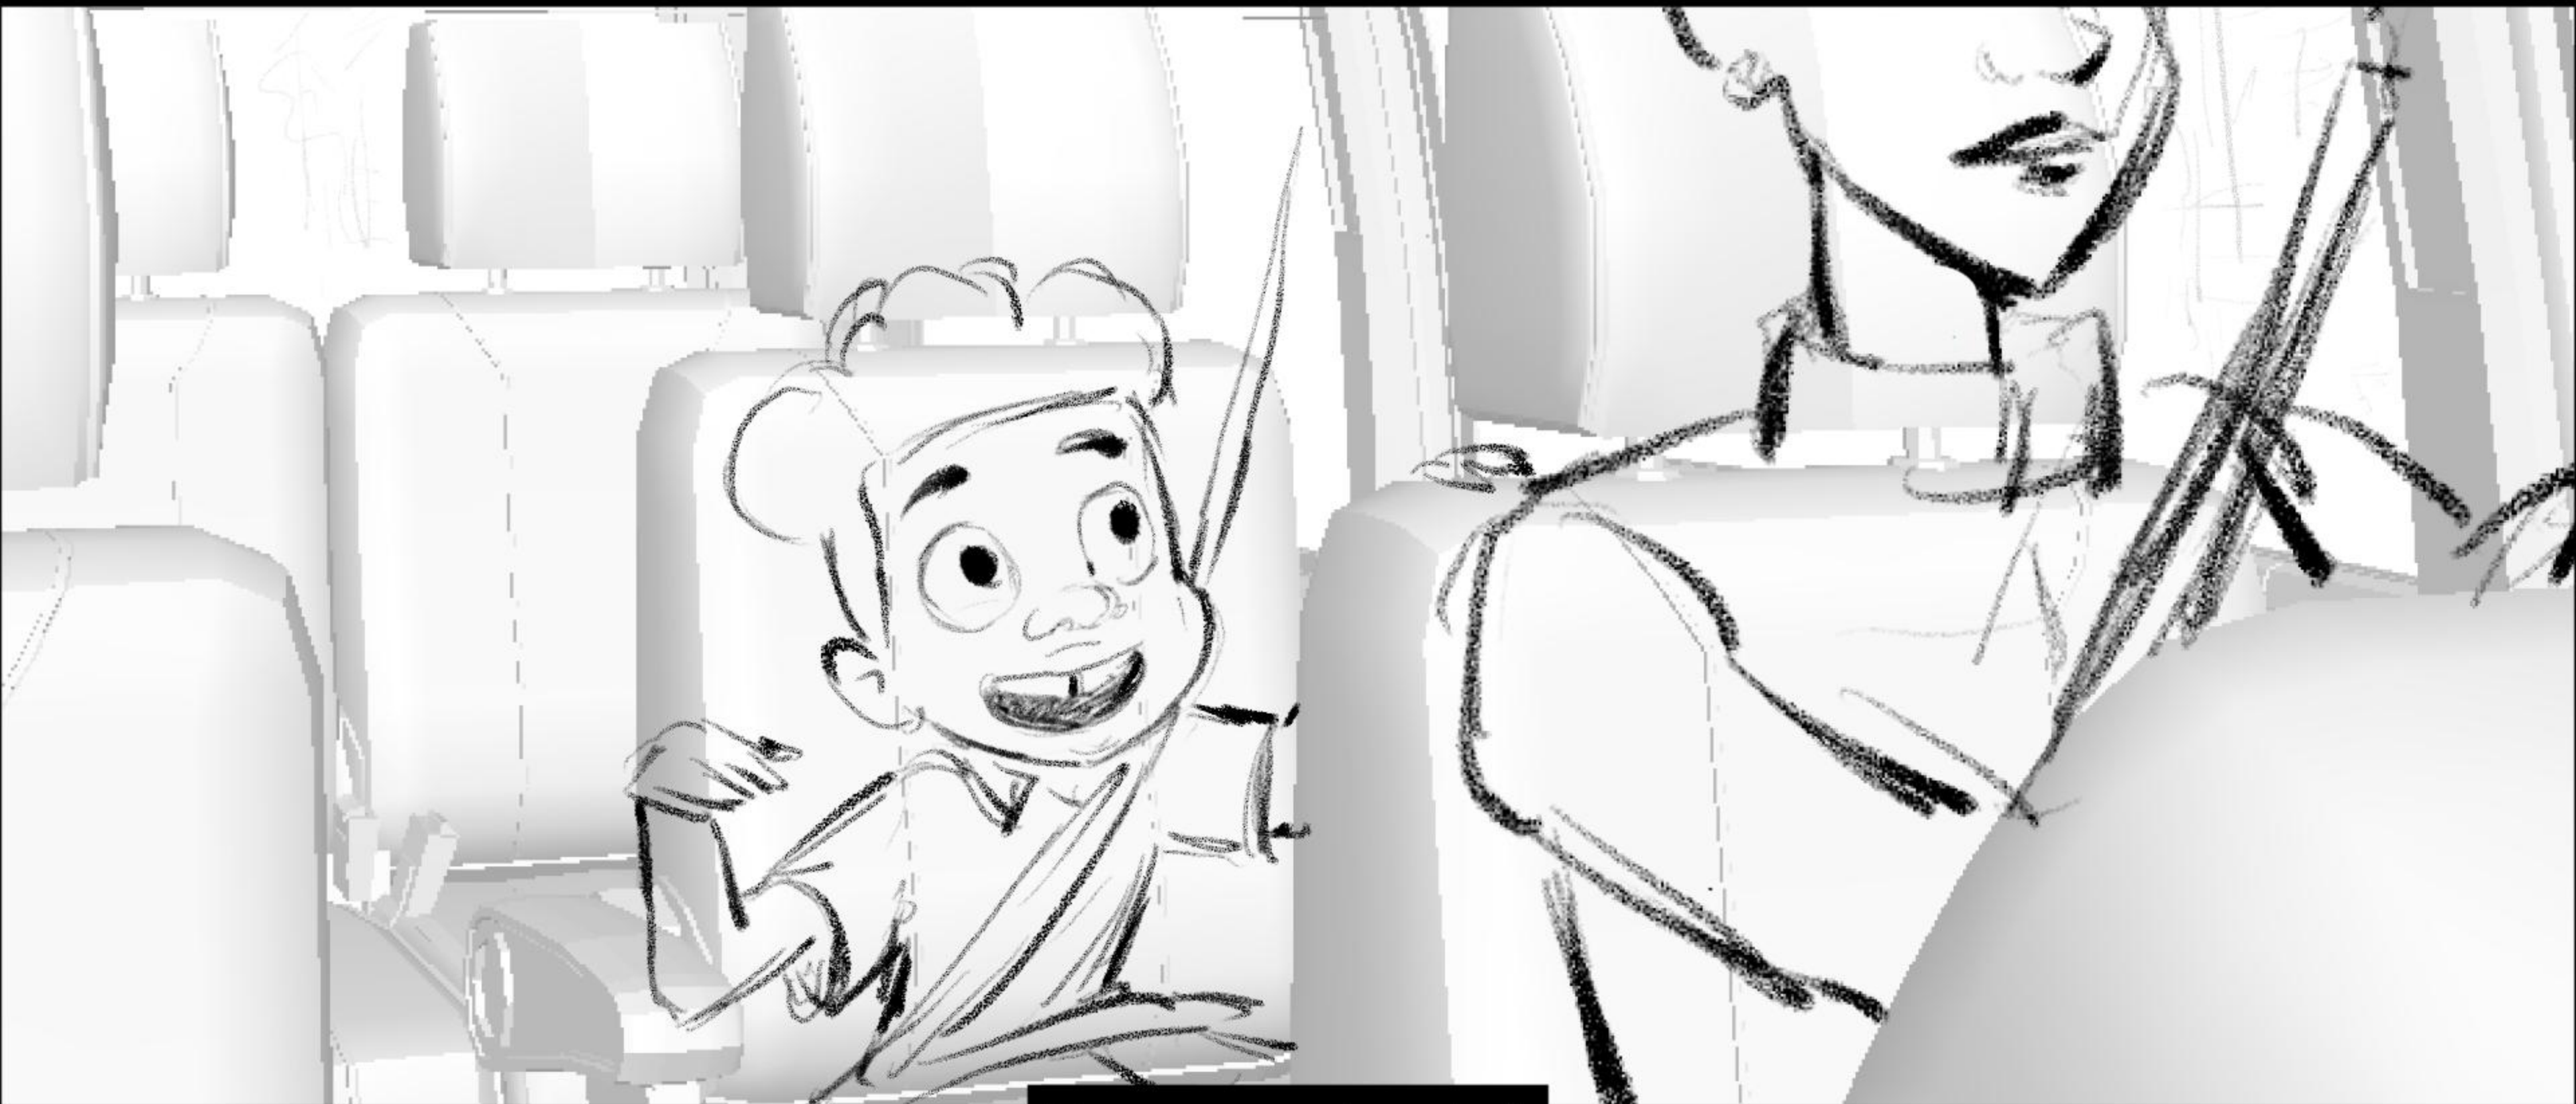

it has so many turns in it,

it has so many turns in it,

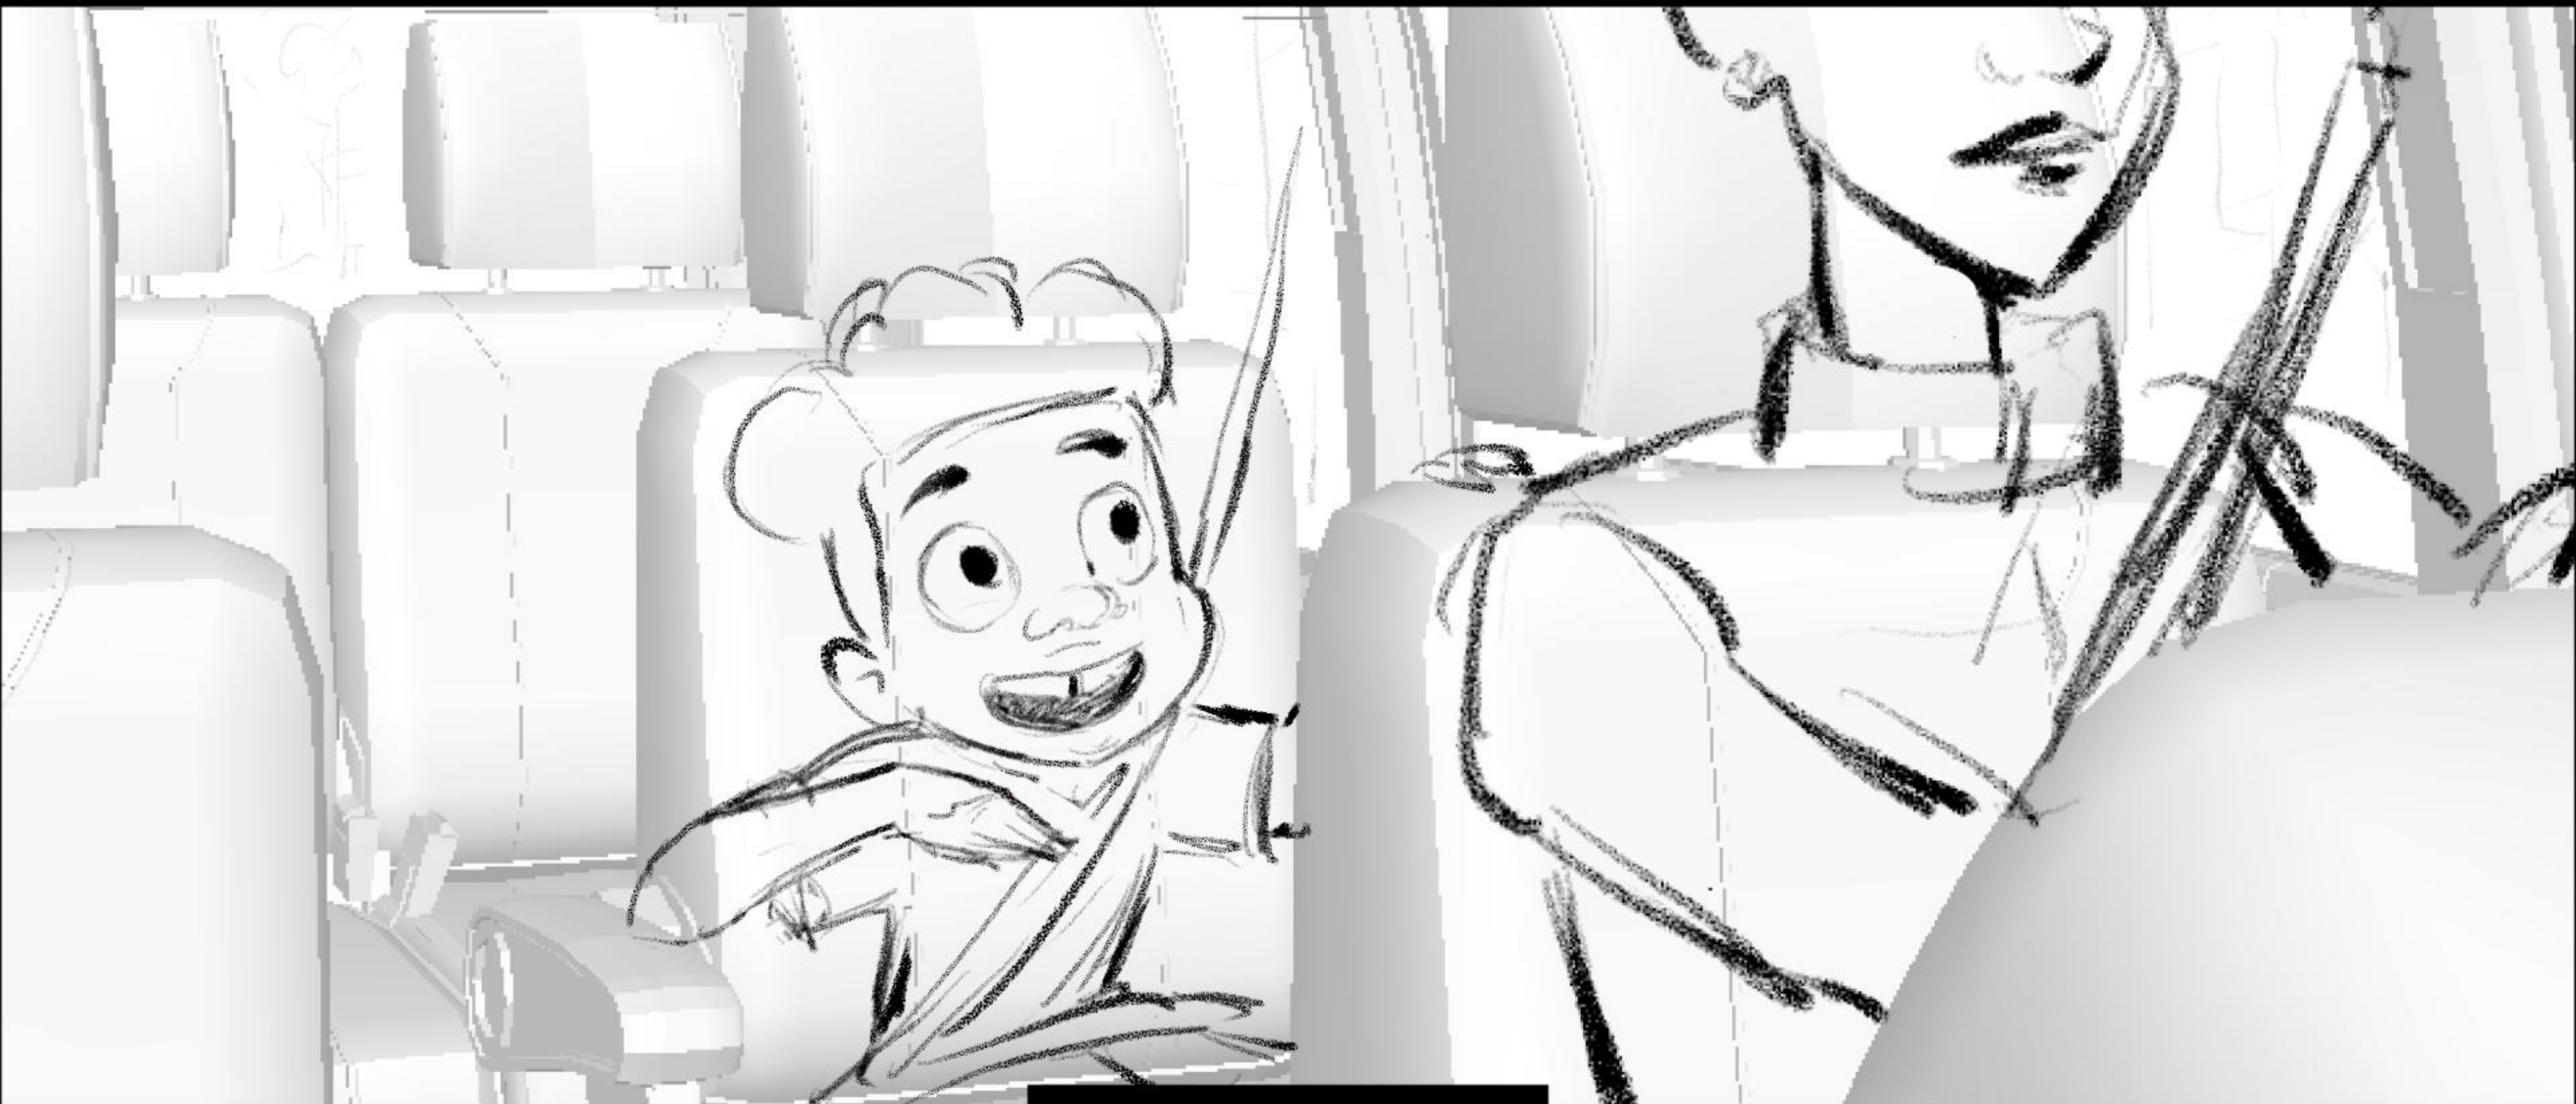

it has so many turns in it,

it has so many turns in it,

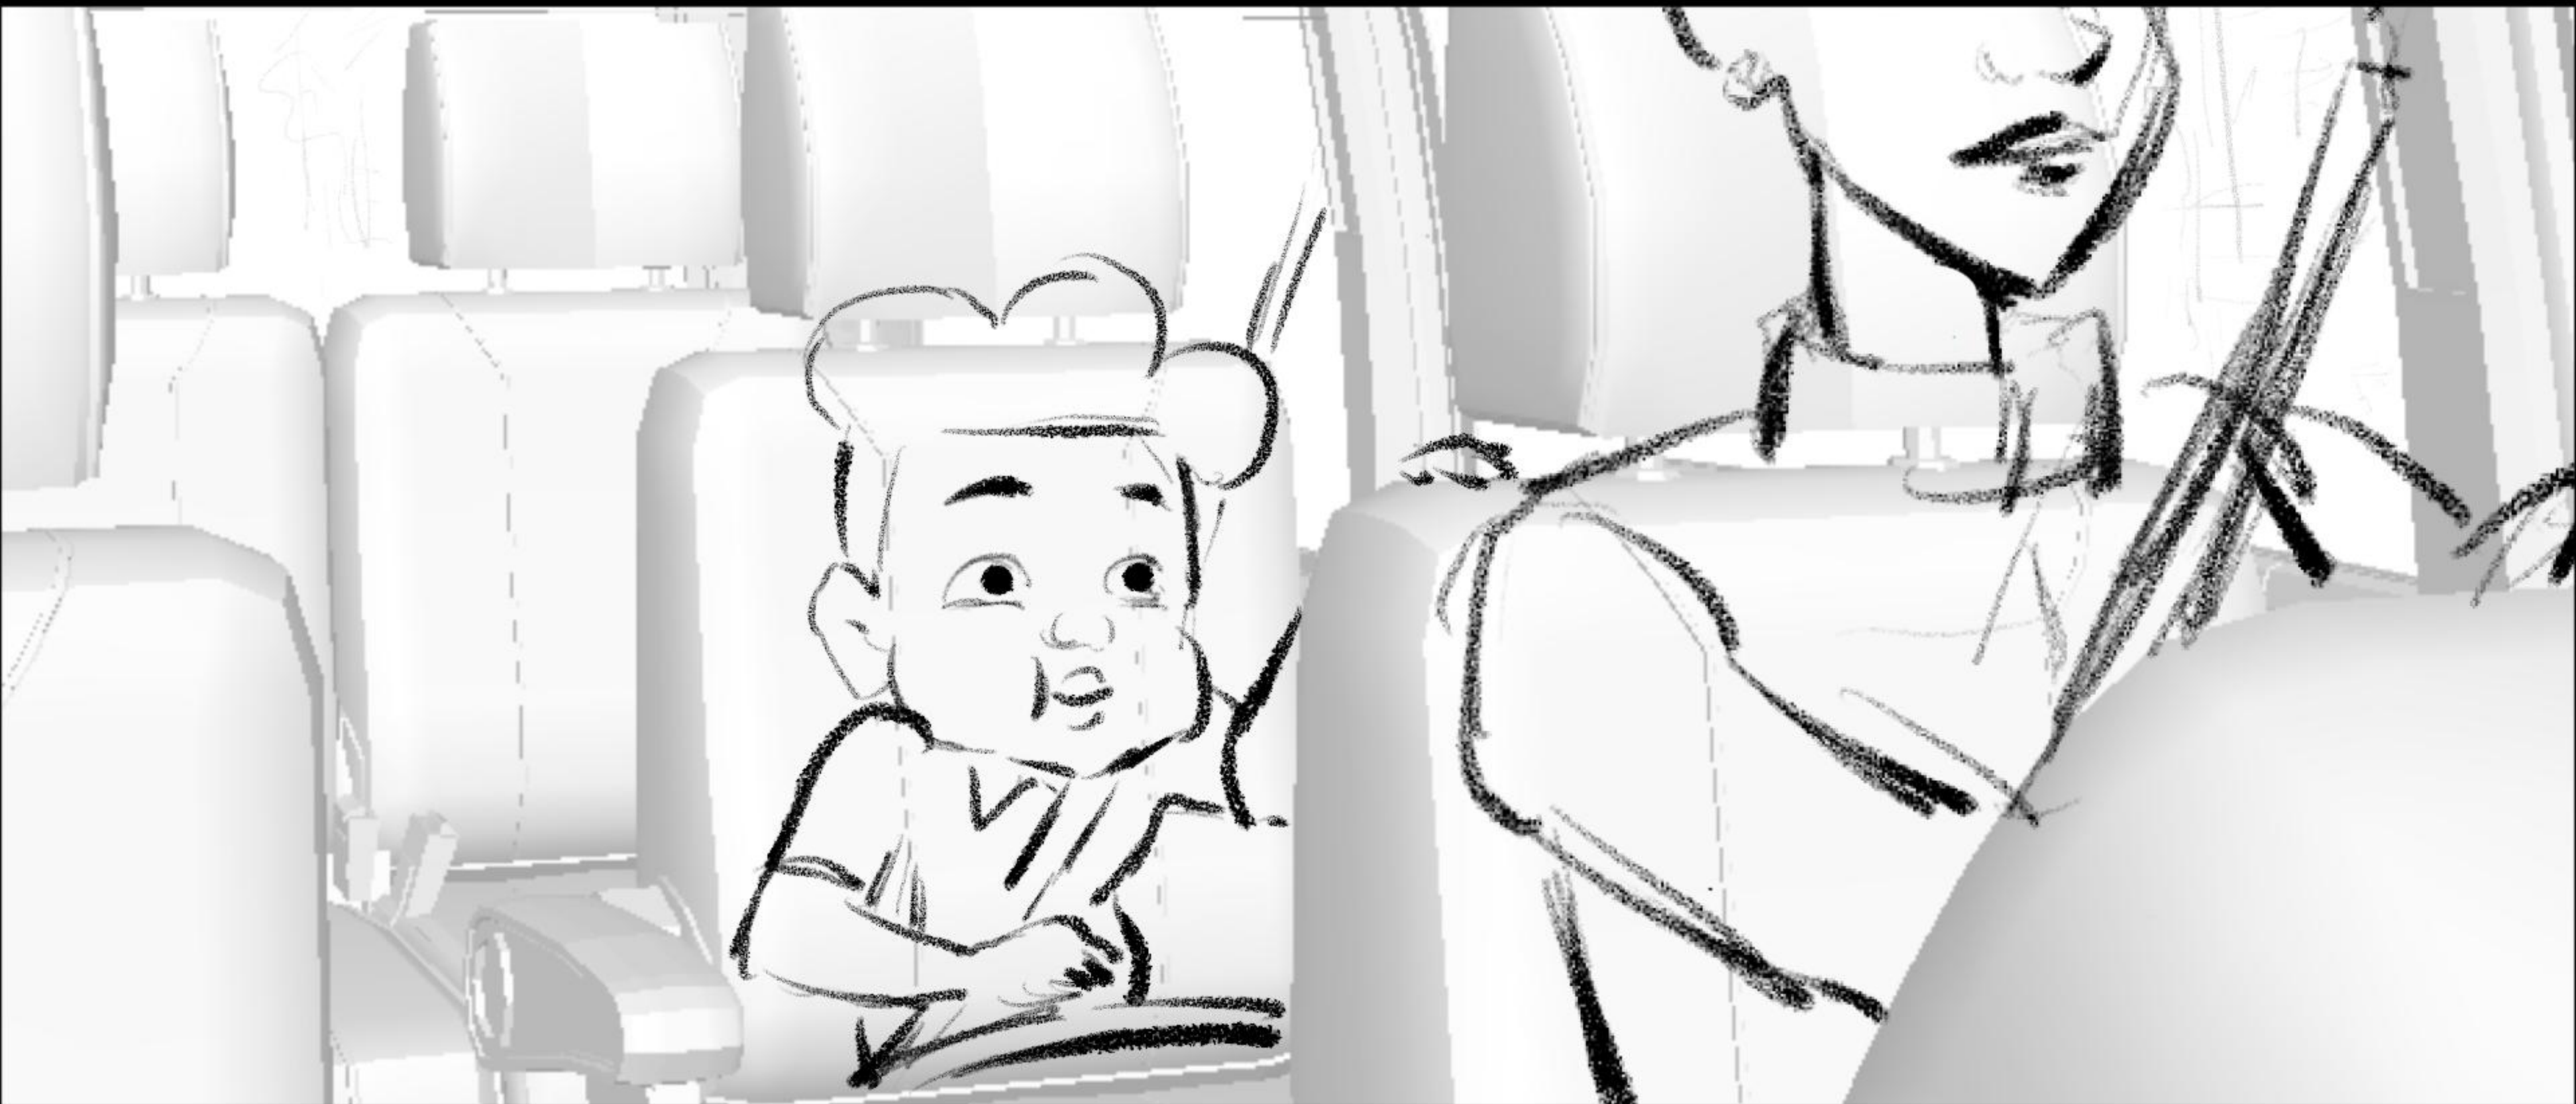

it has so many turns in it,

they have to constantly clean it out

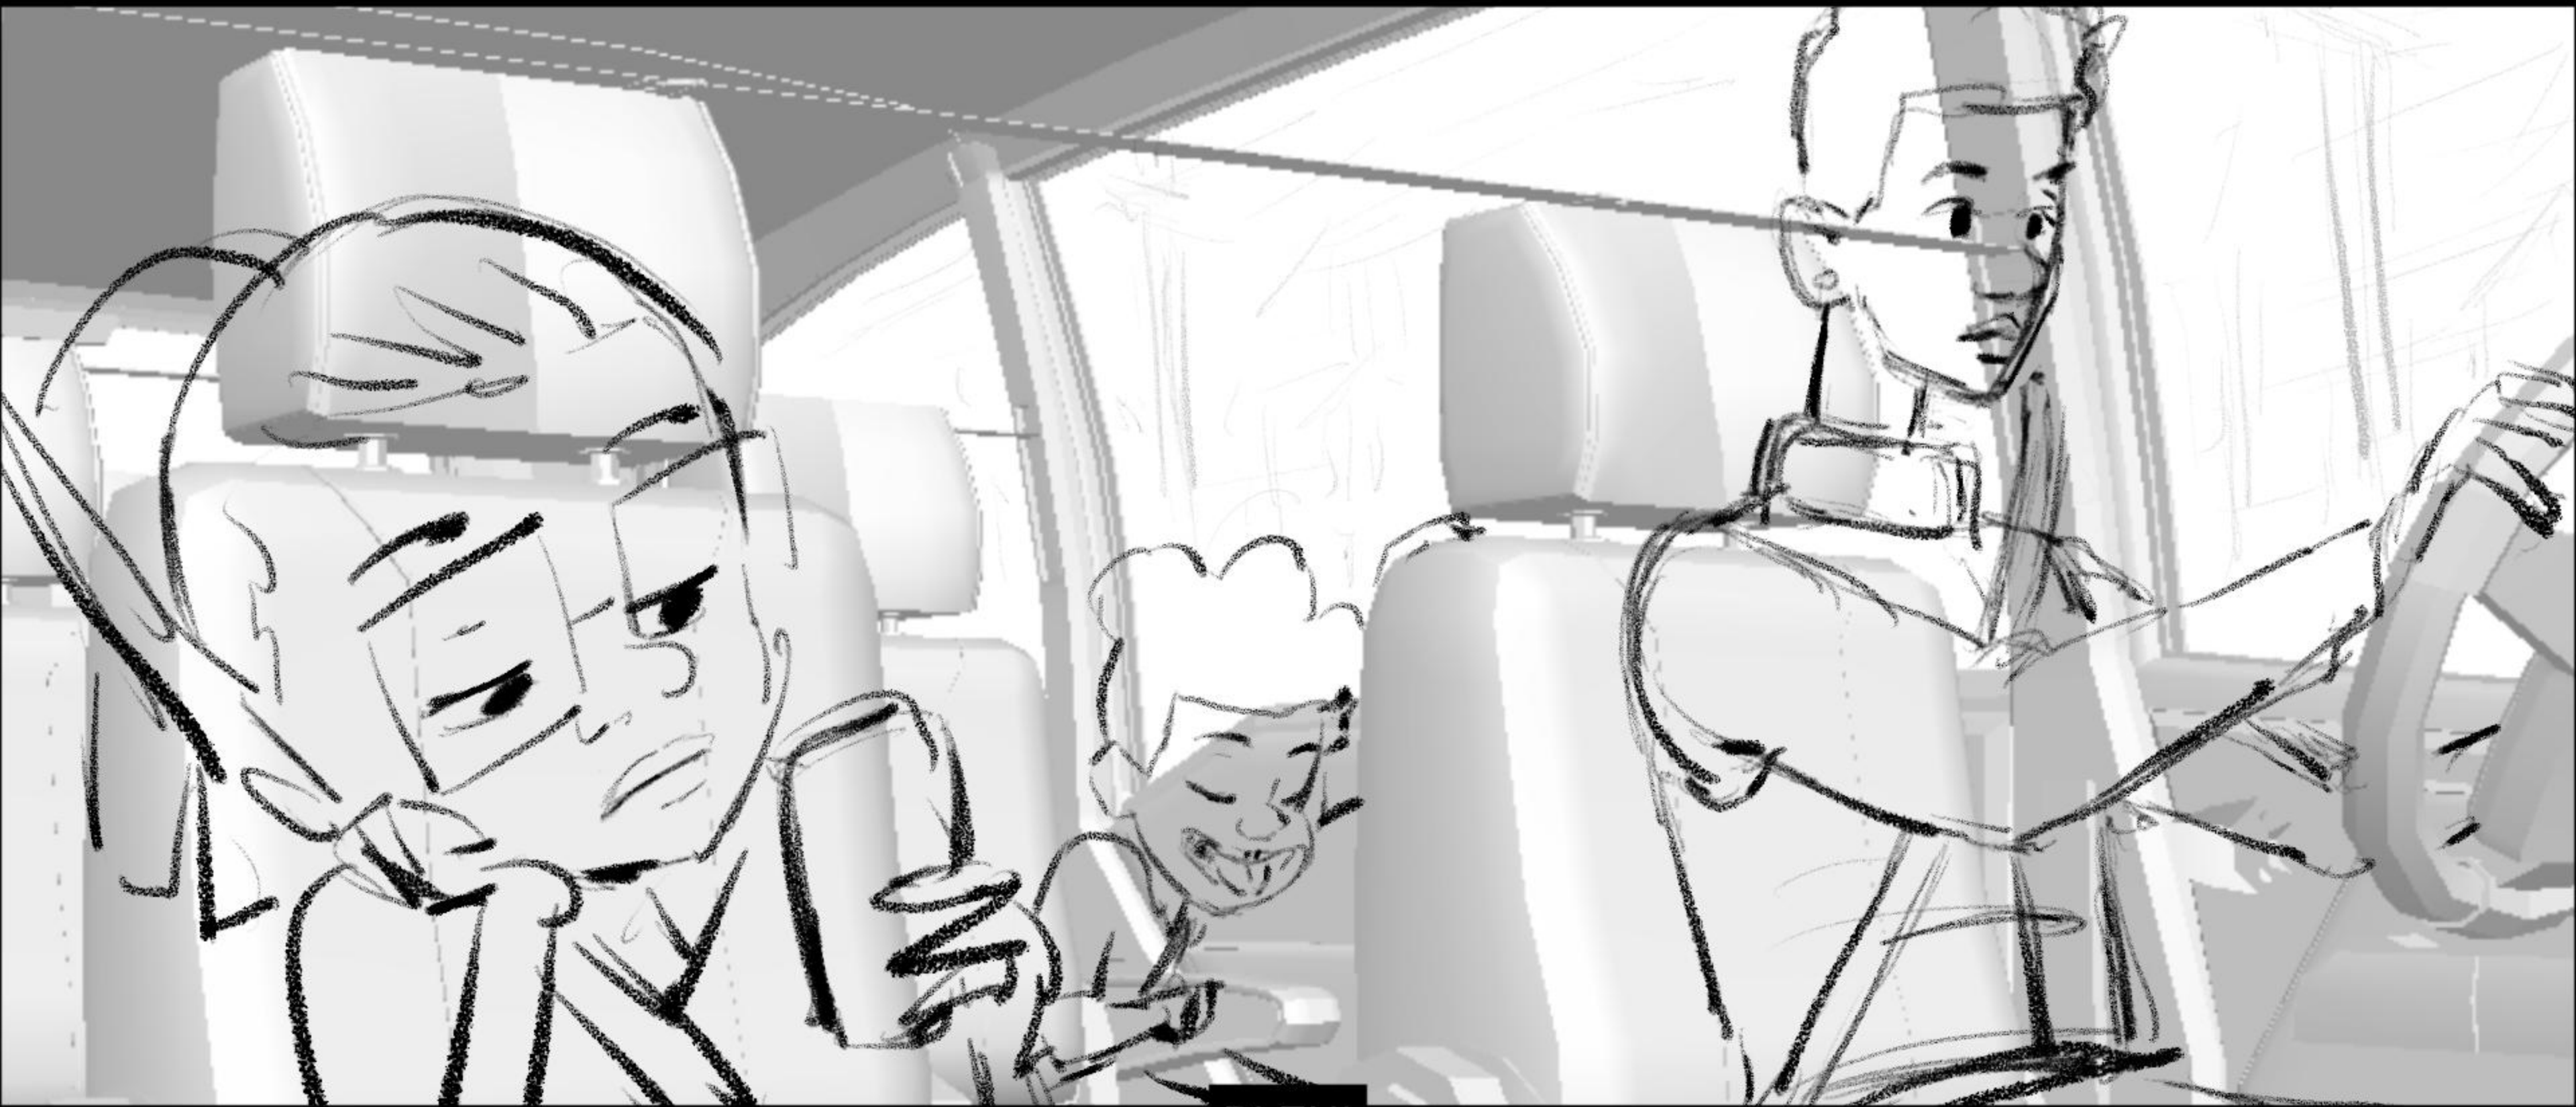

because so many people barf in it!

BLEH!

BLEH!

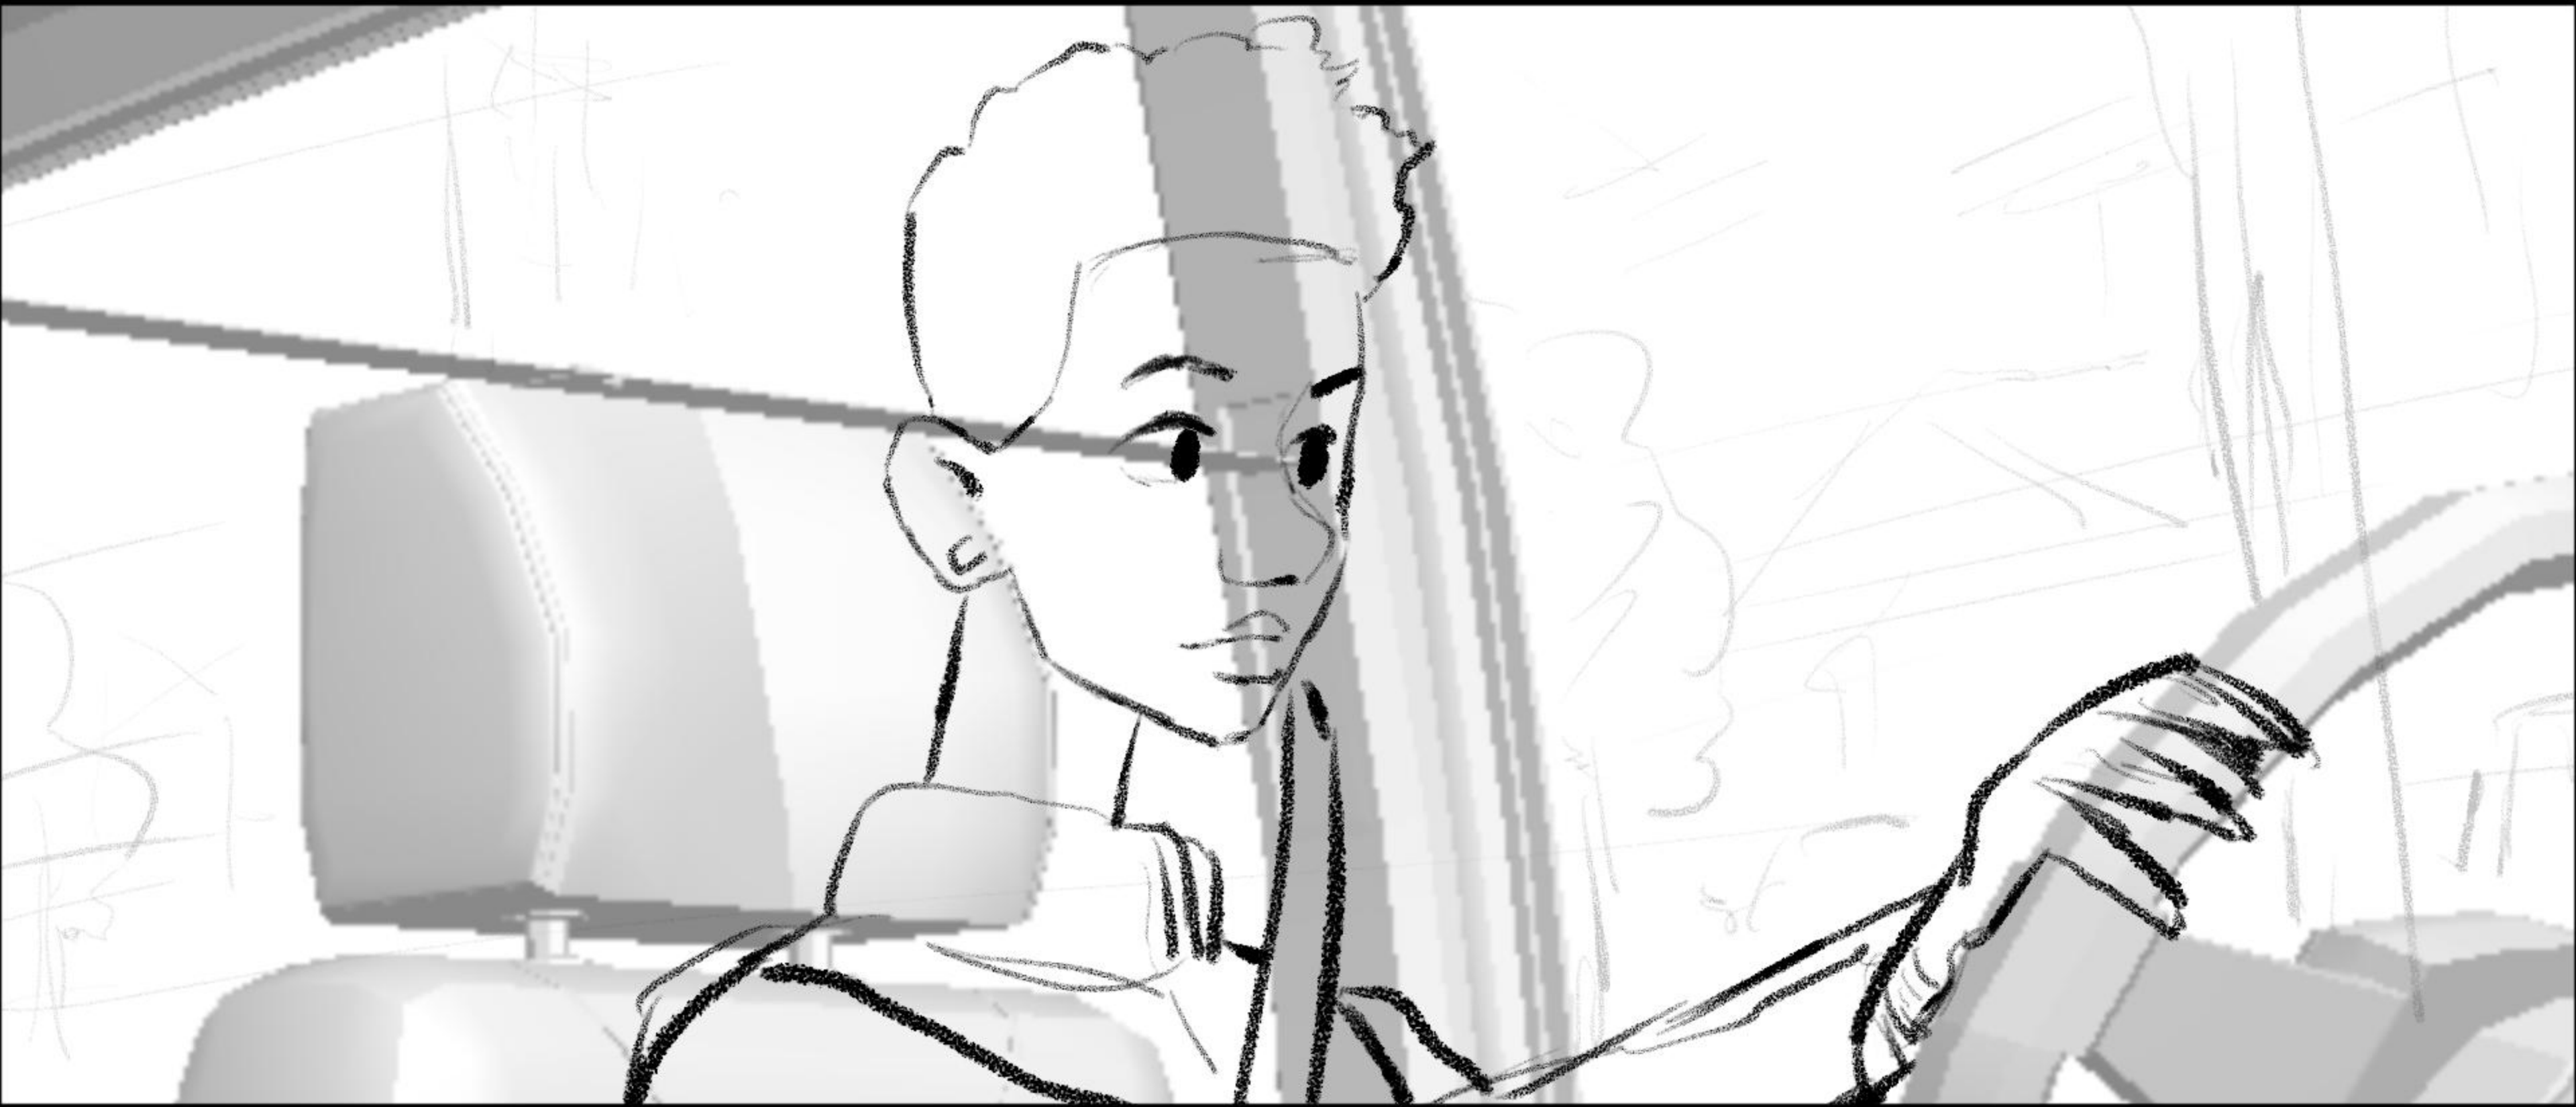

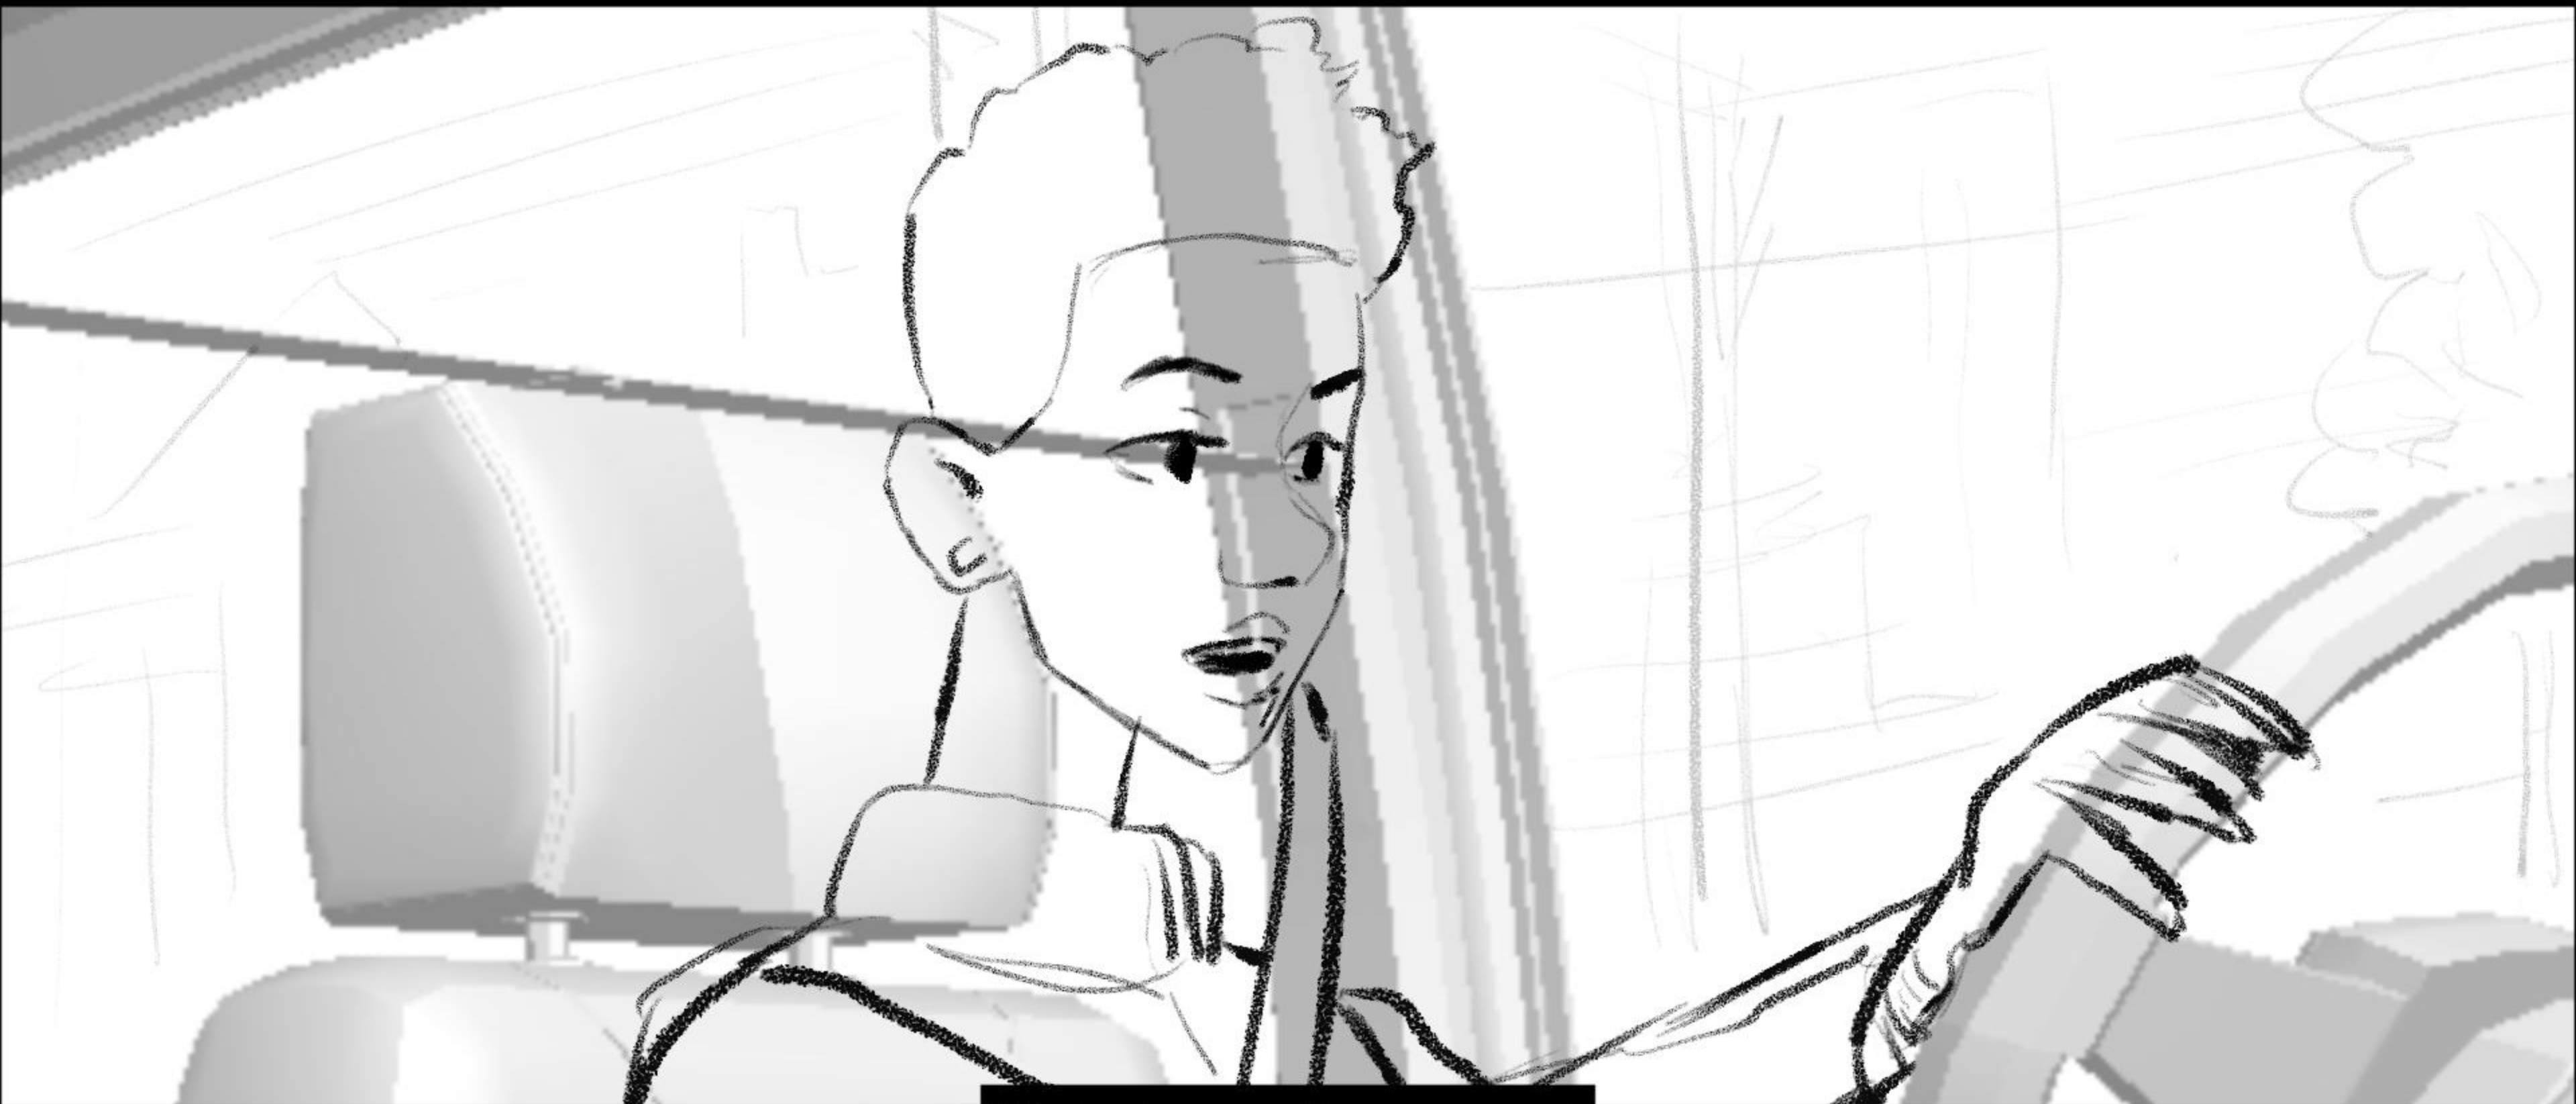

That's disgusting.

Well, I'm sorry I'll missing out

on that,

But I'm sure you

you and Dad will have a great time.

you and Dad will have a great time.

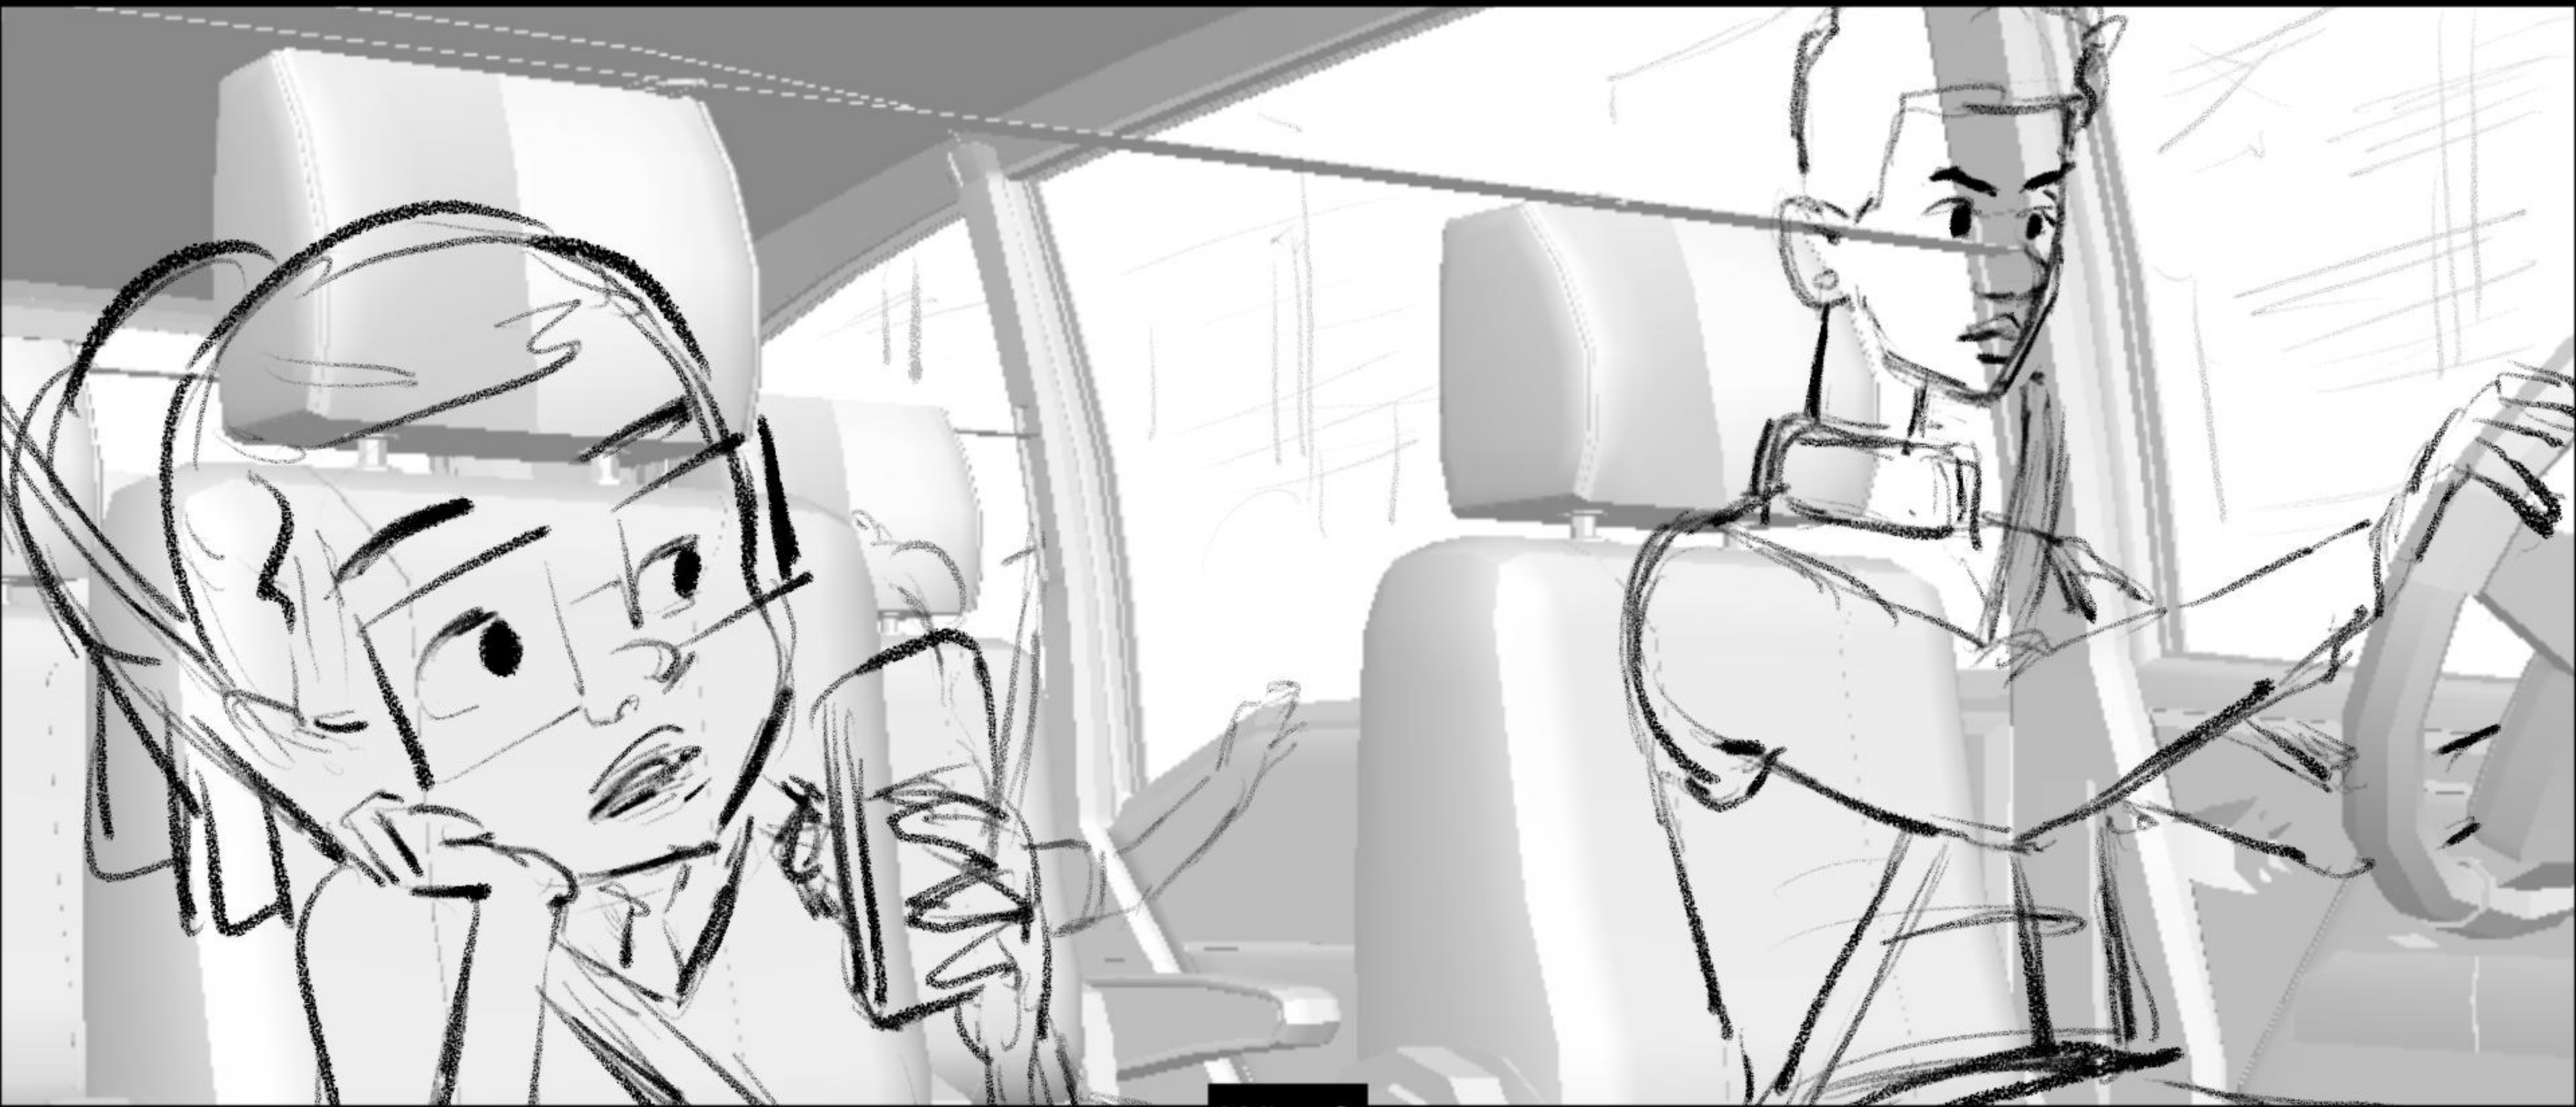

Surprised he can even find time to hang out with us.

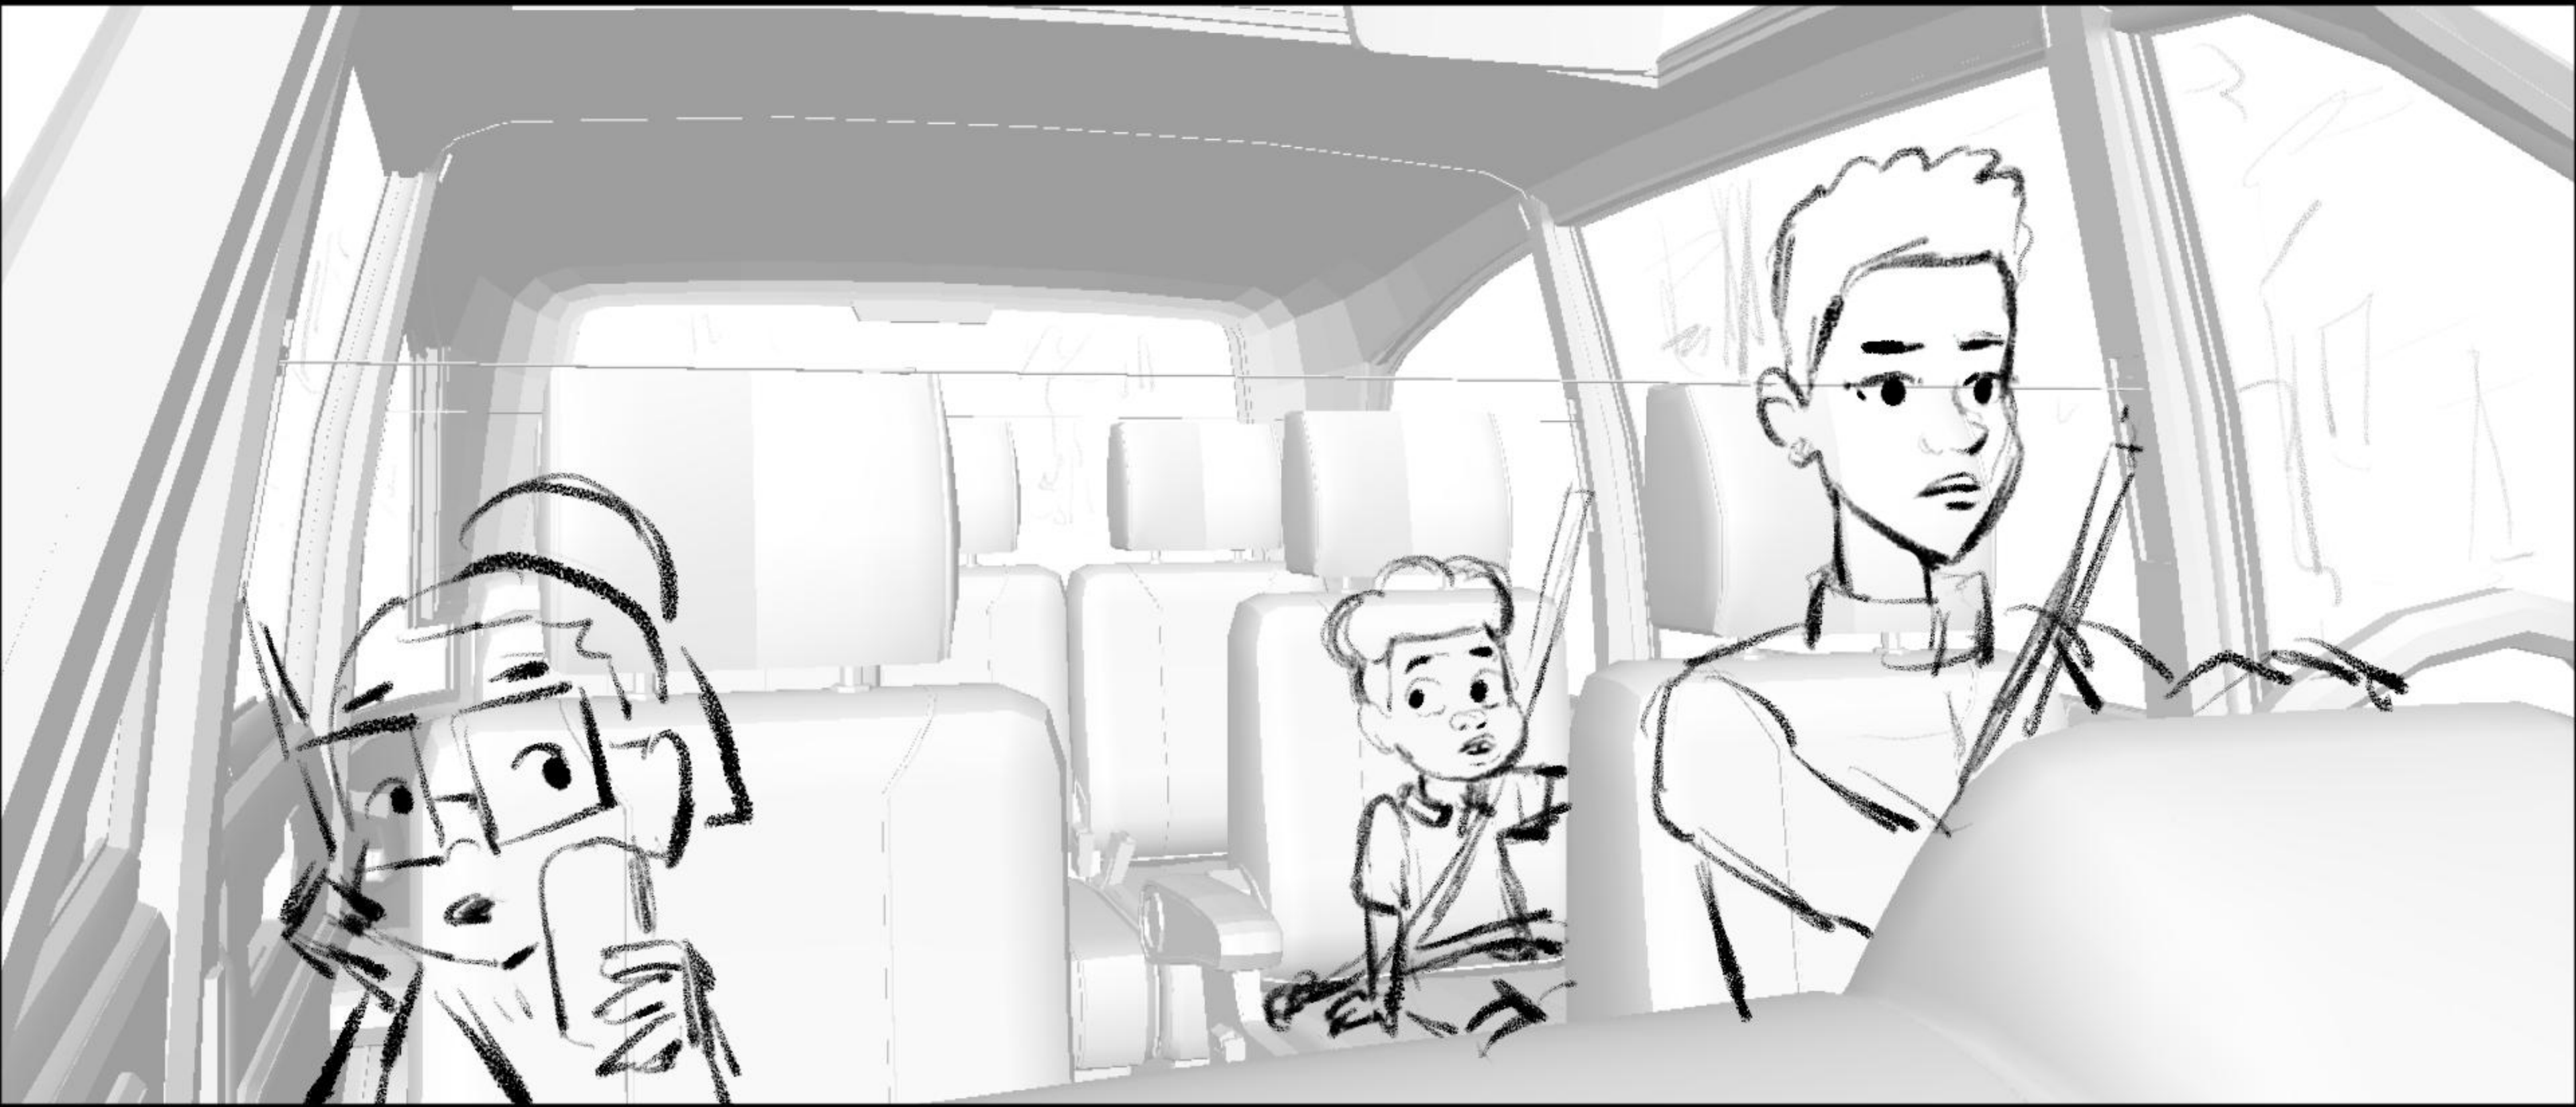

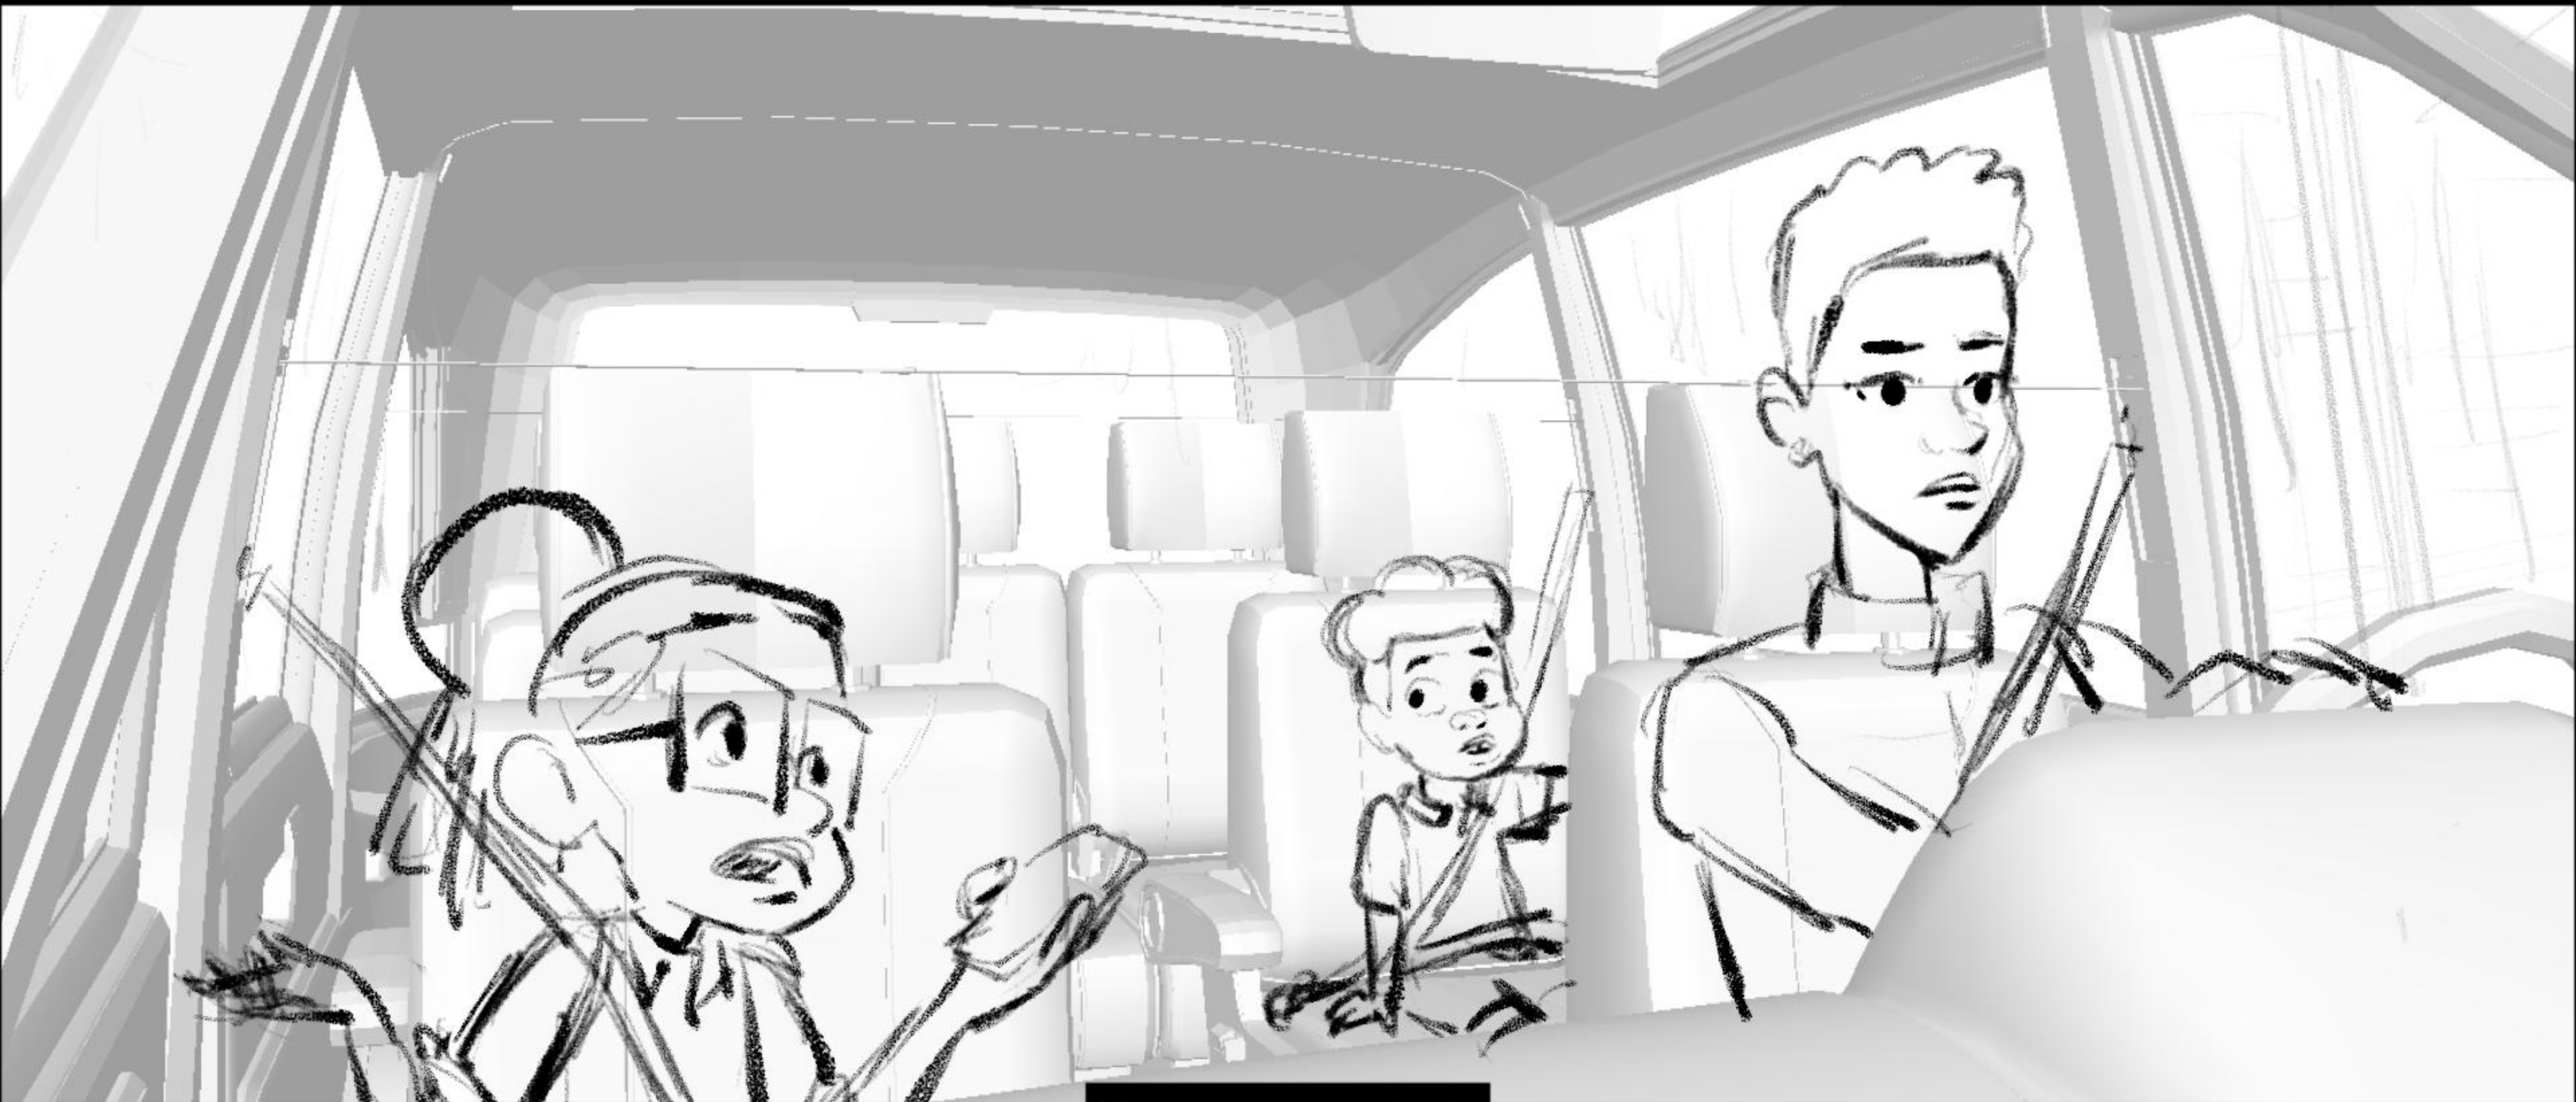

Lisa!

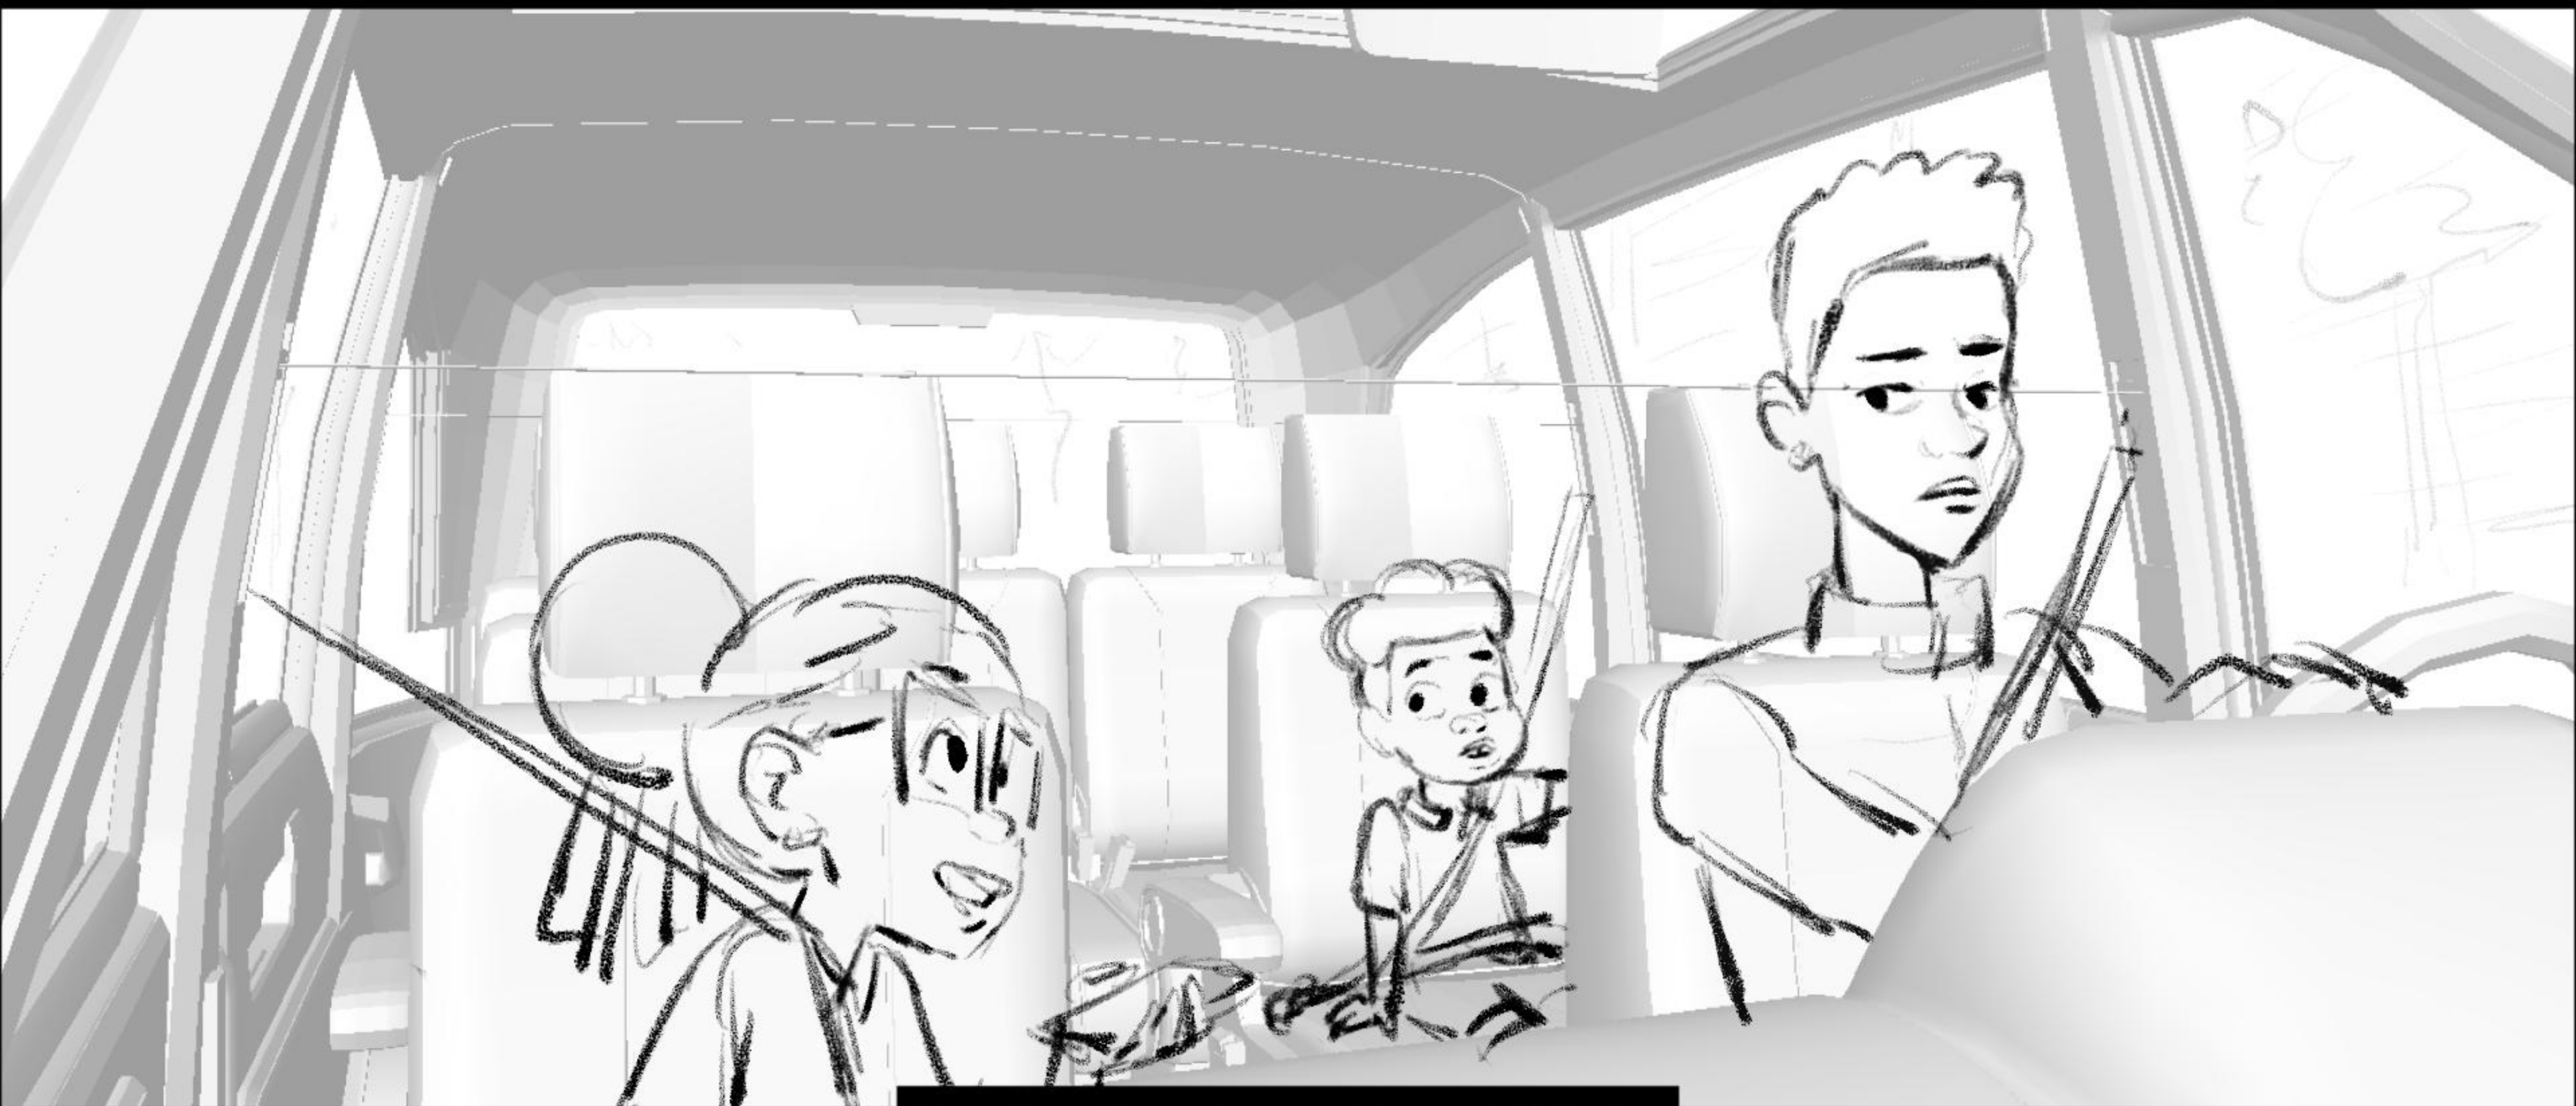

What?

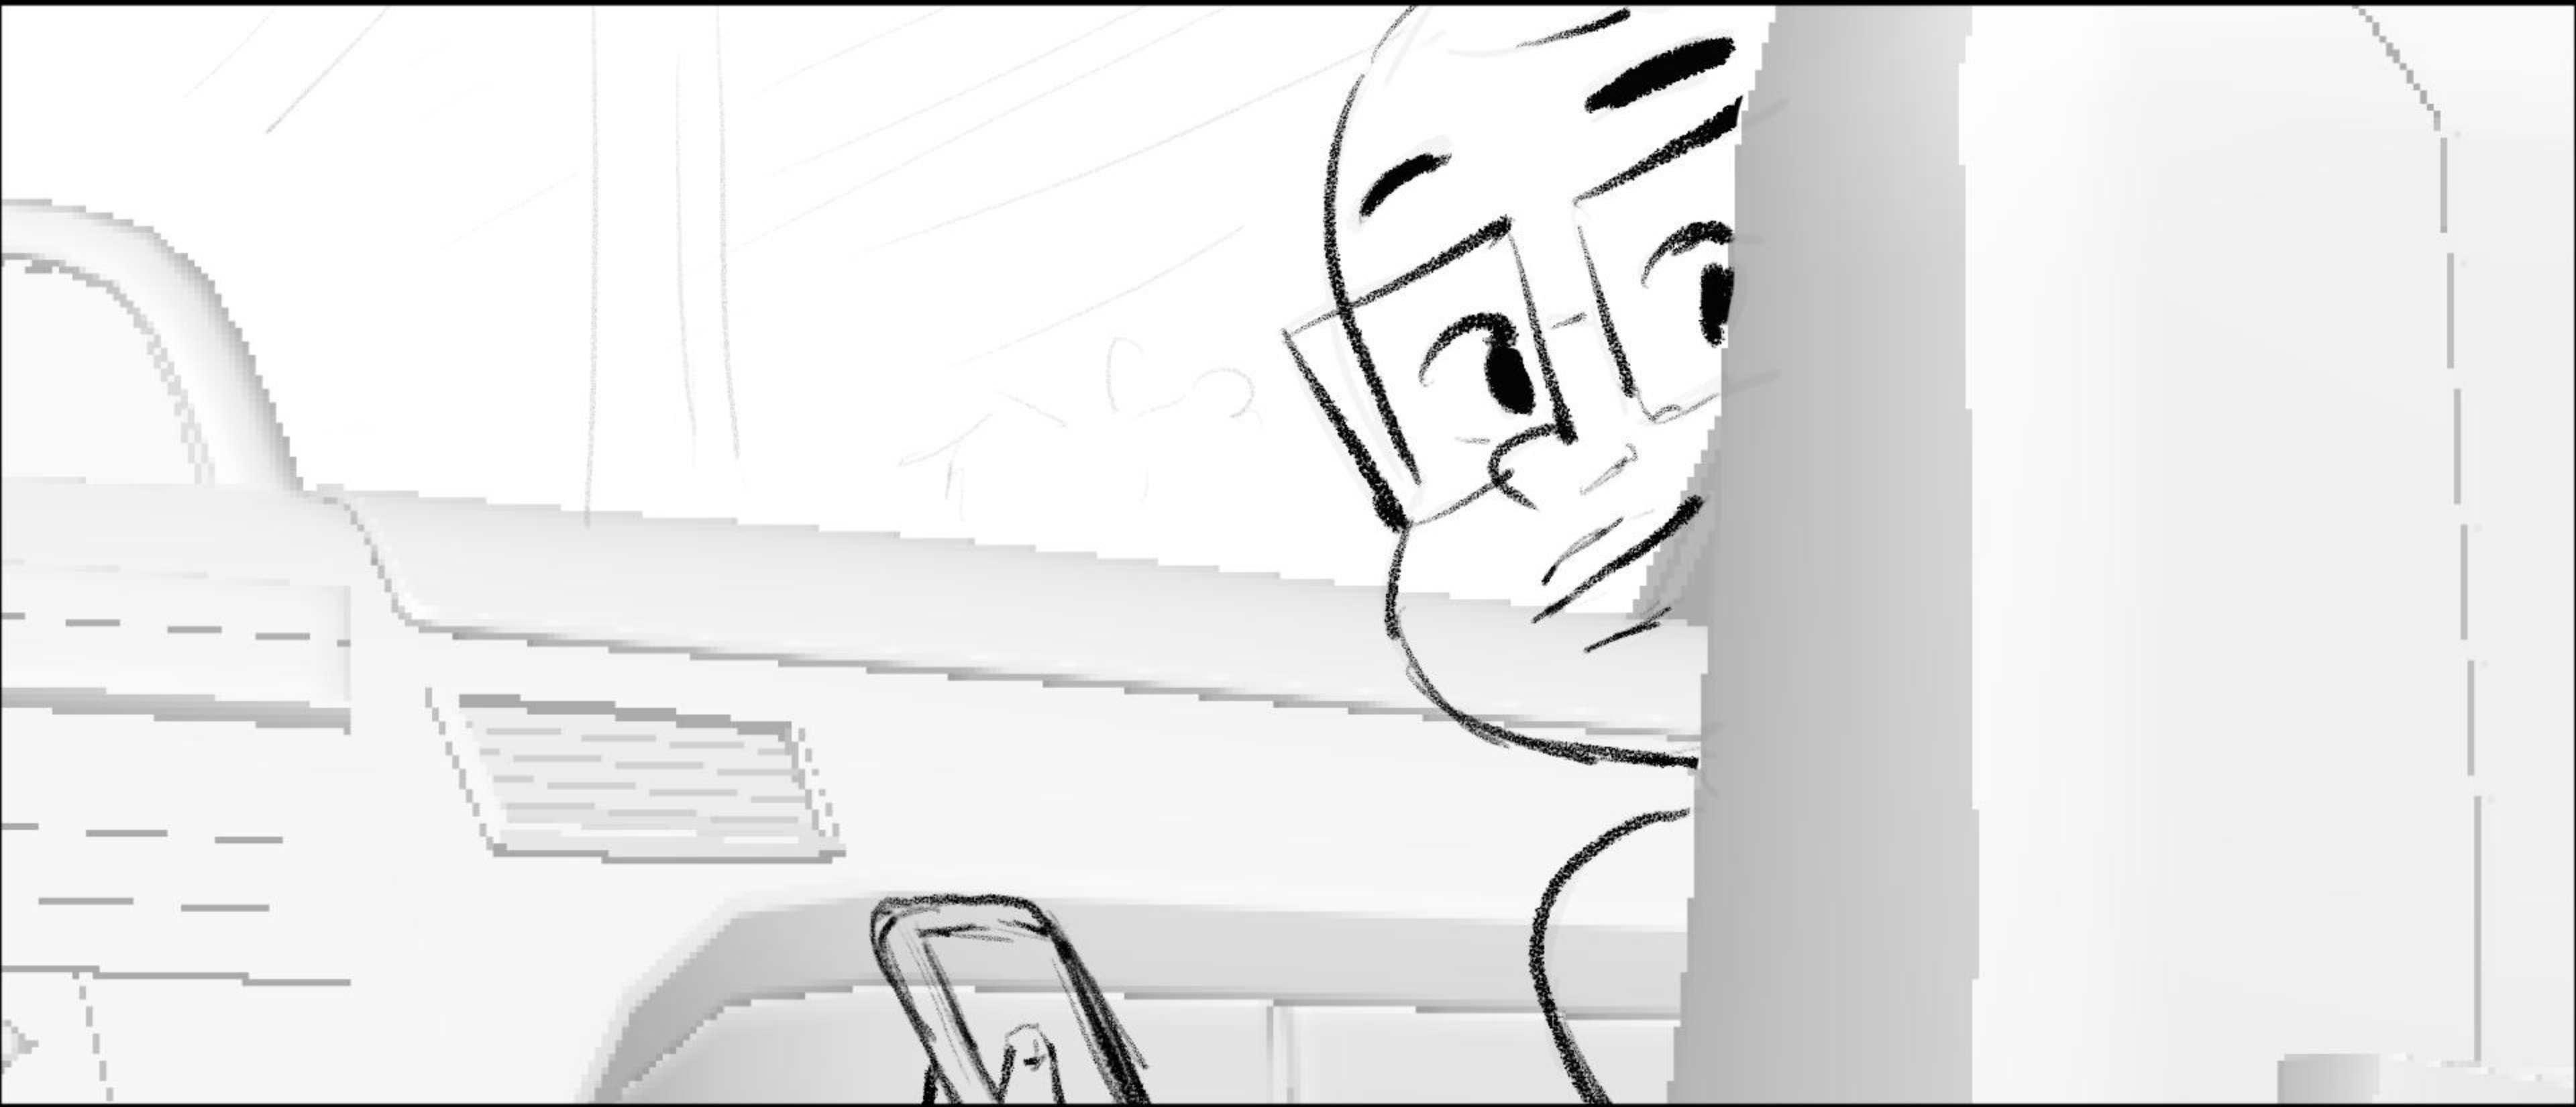

You know I'm right.

Besides, Sean knows his real birthday

is with us next weekend.

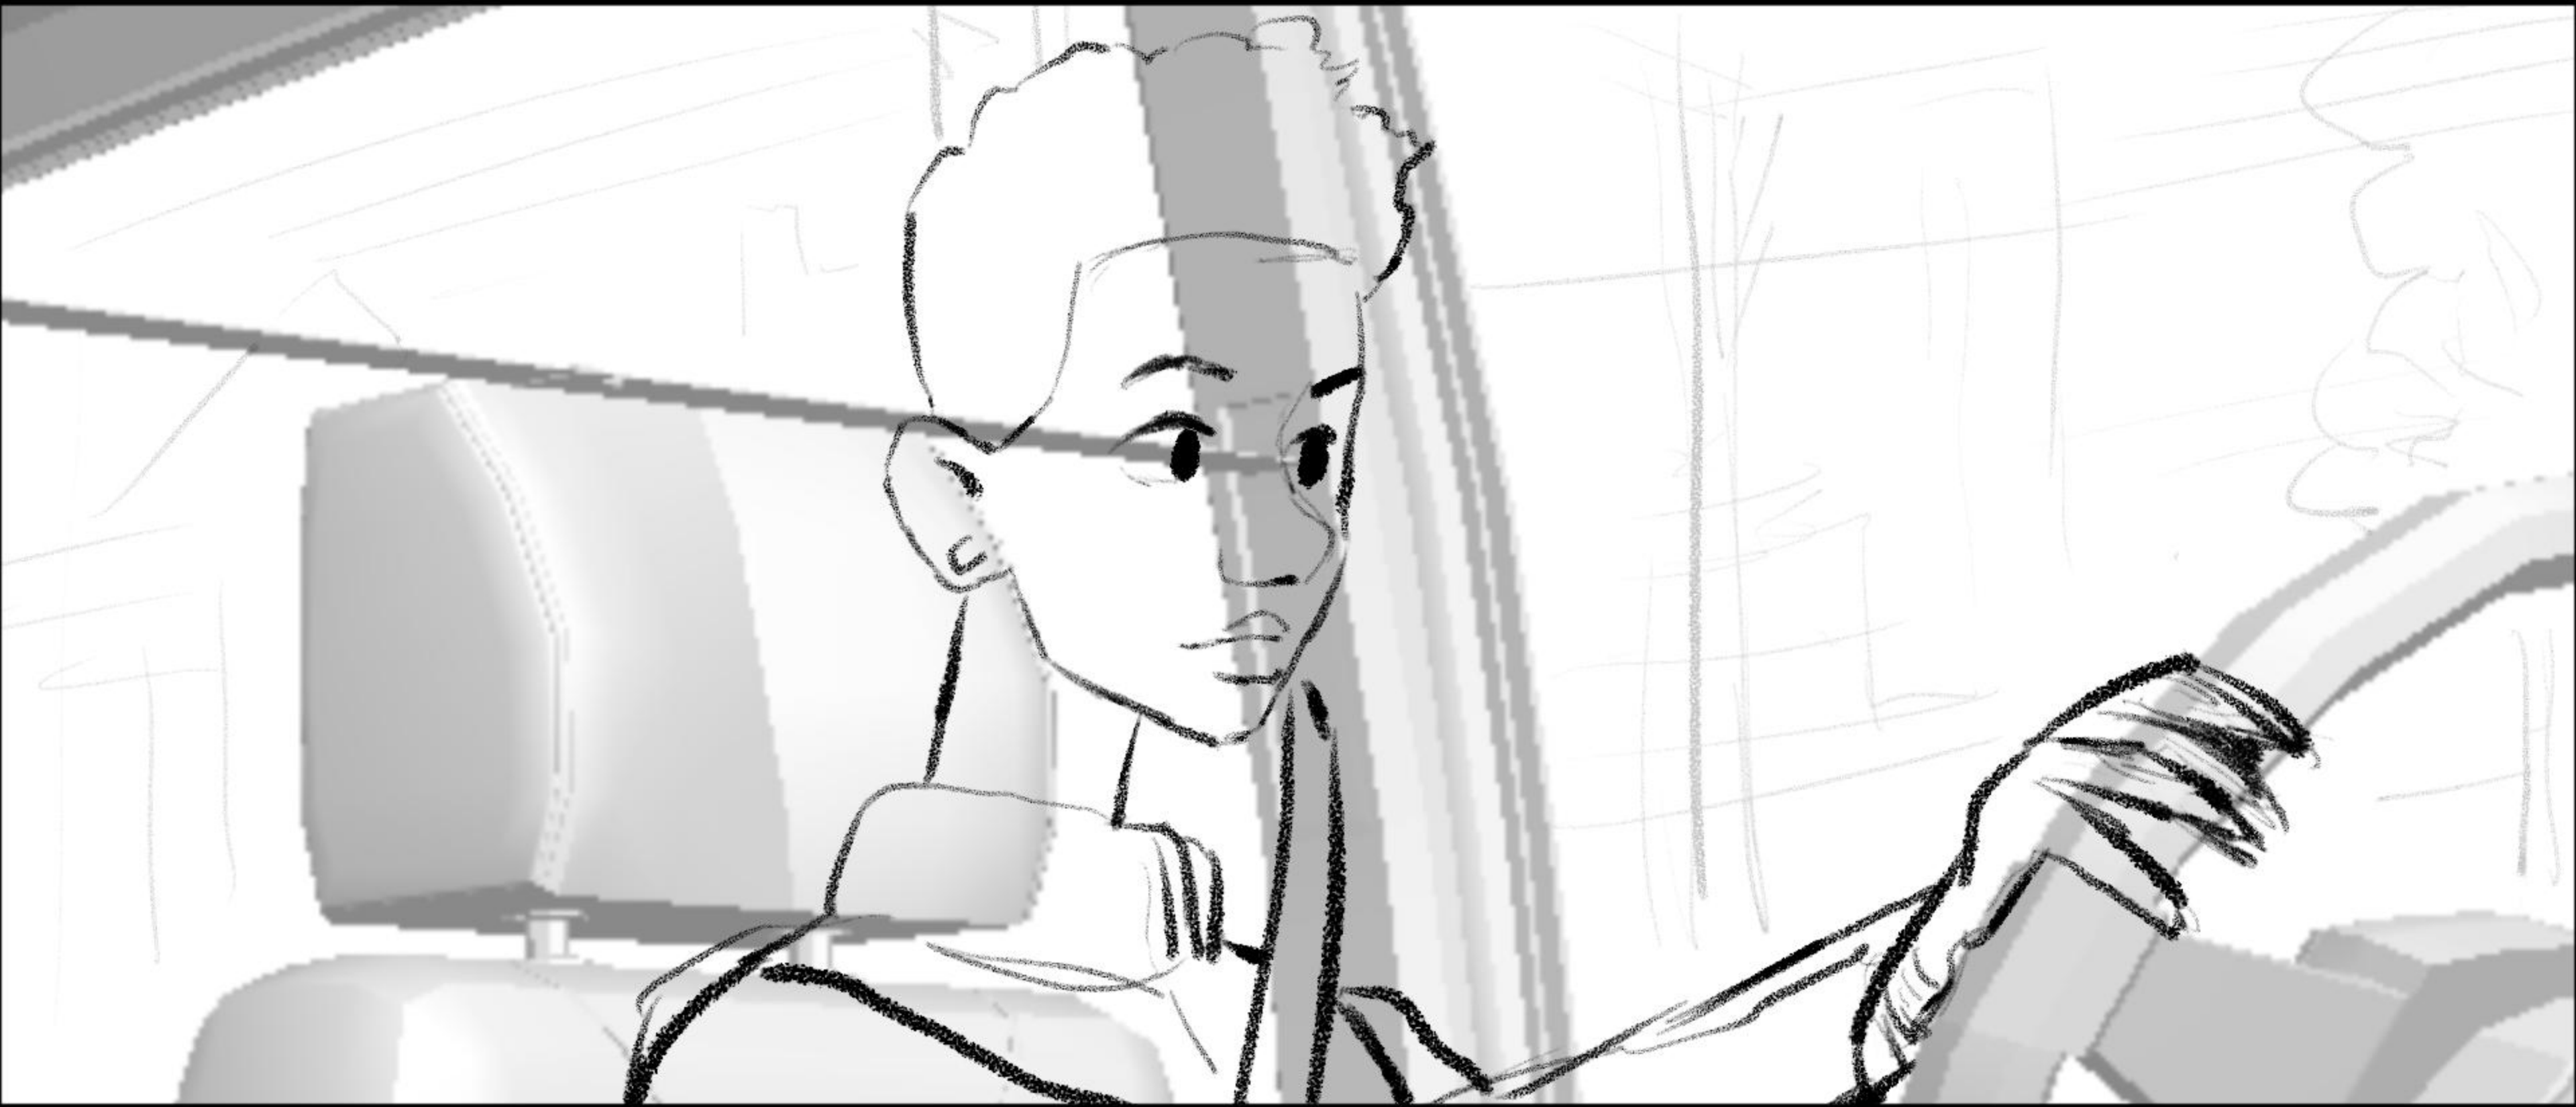

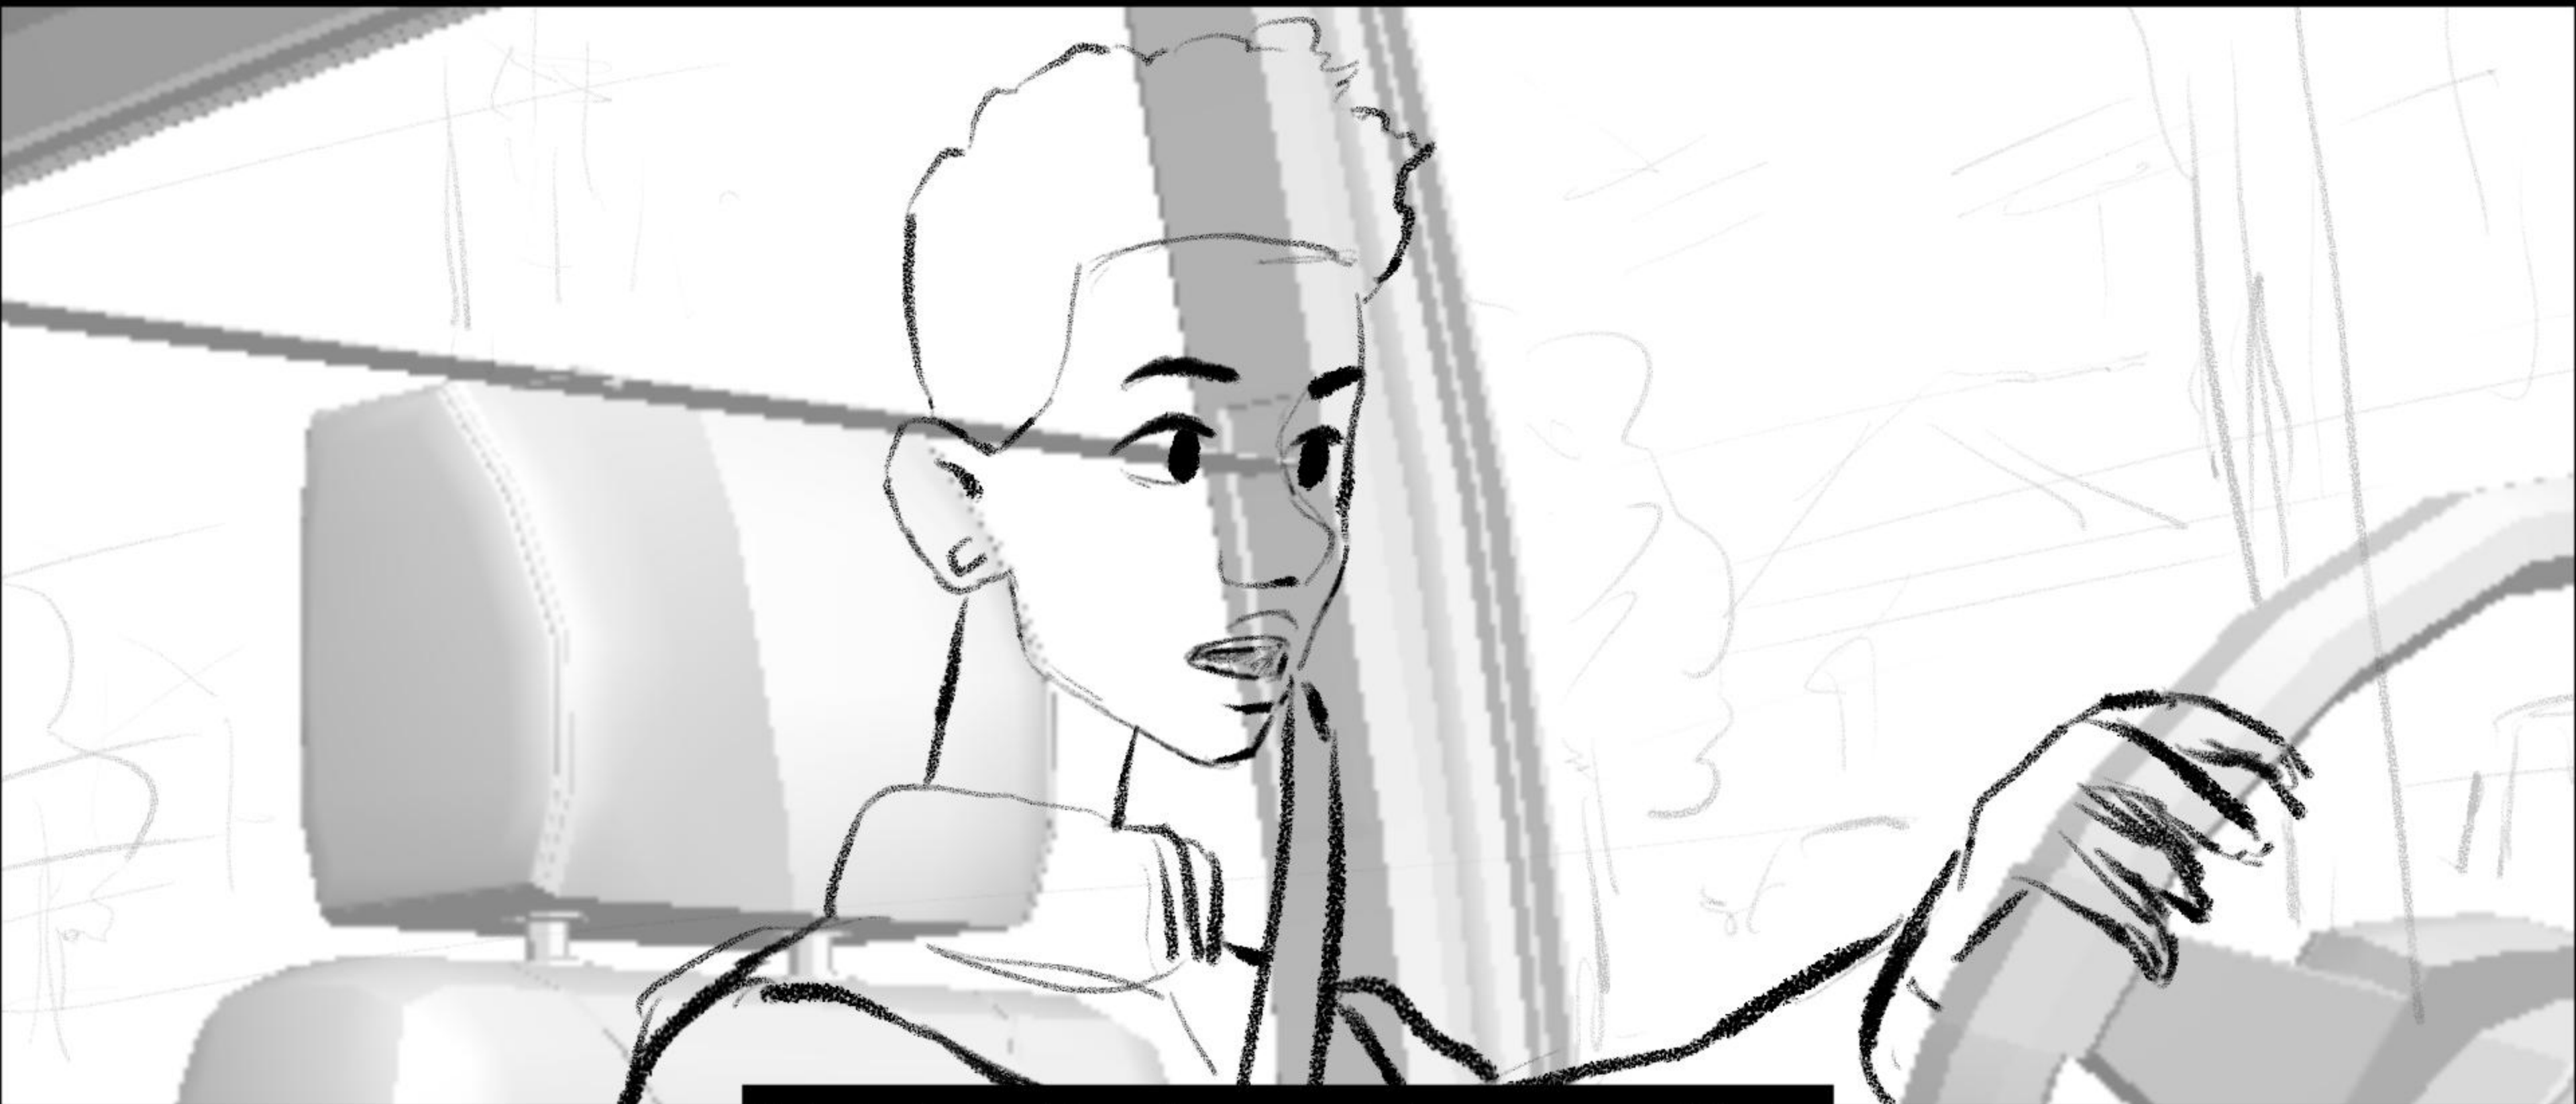

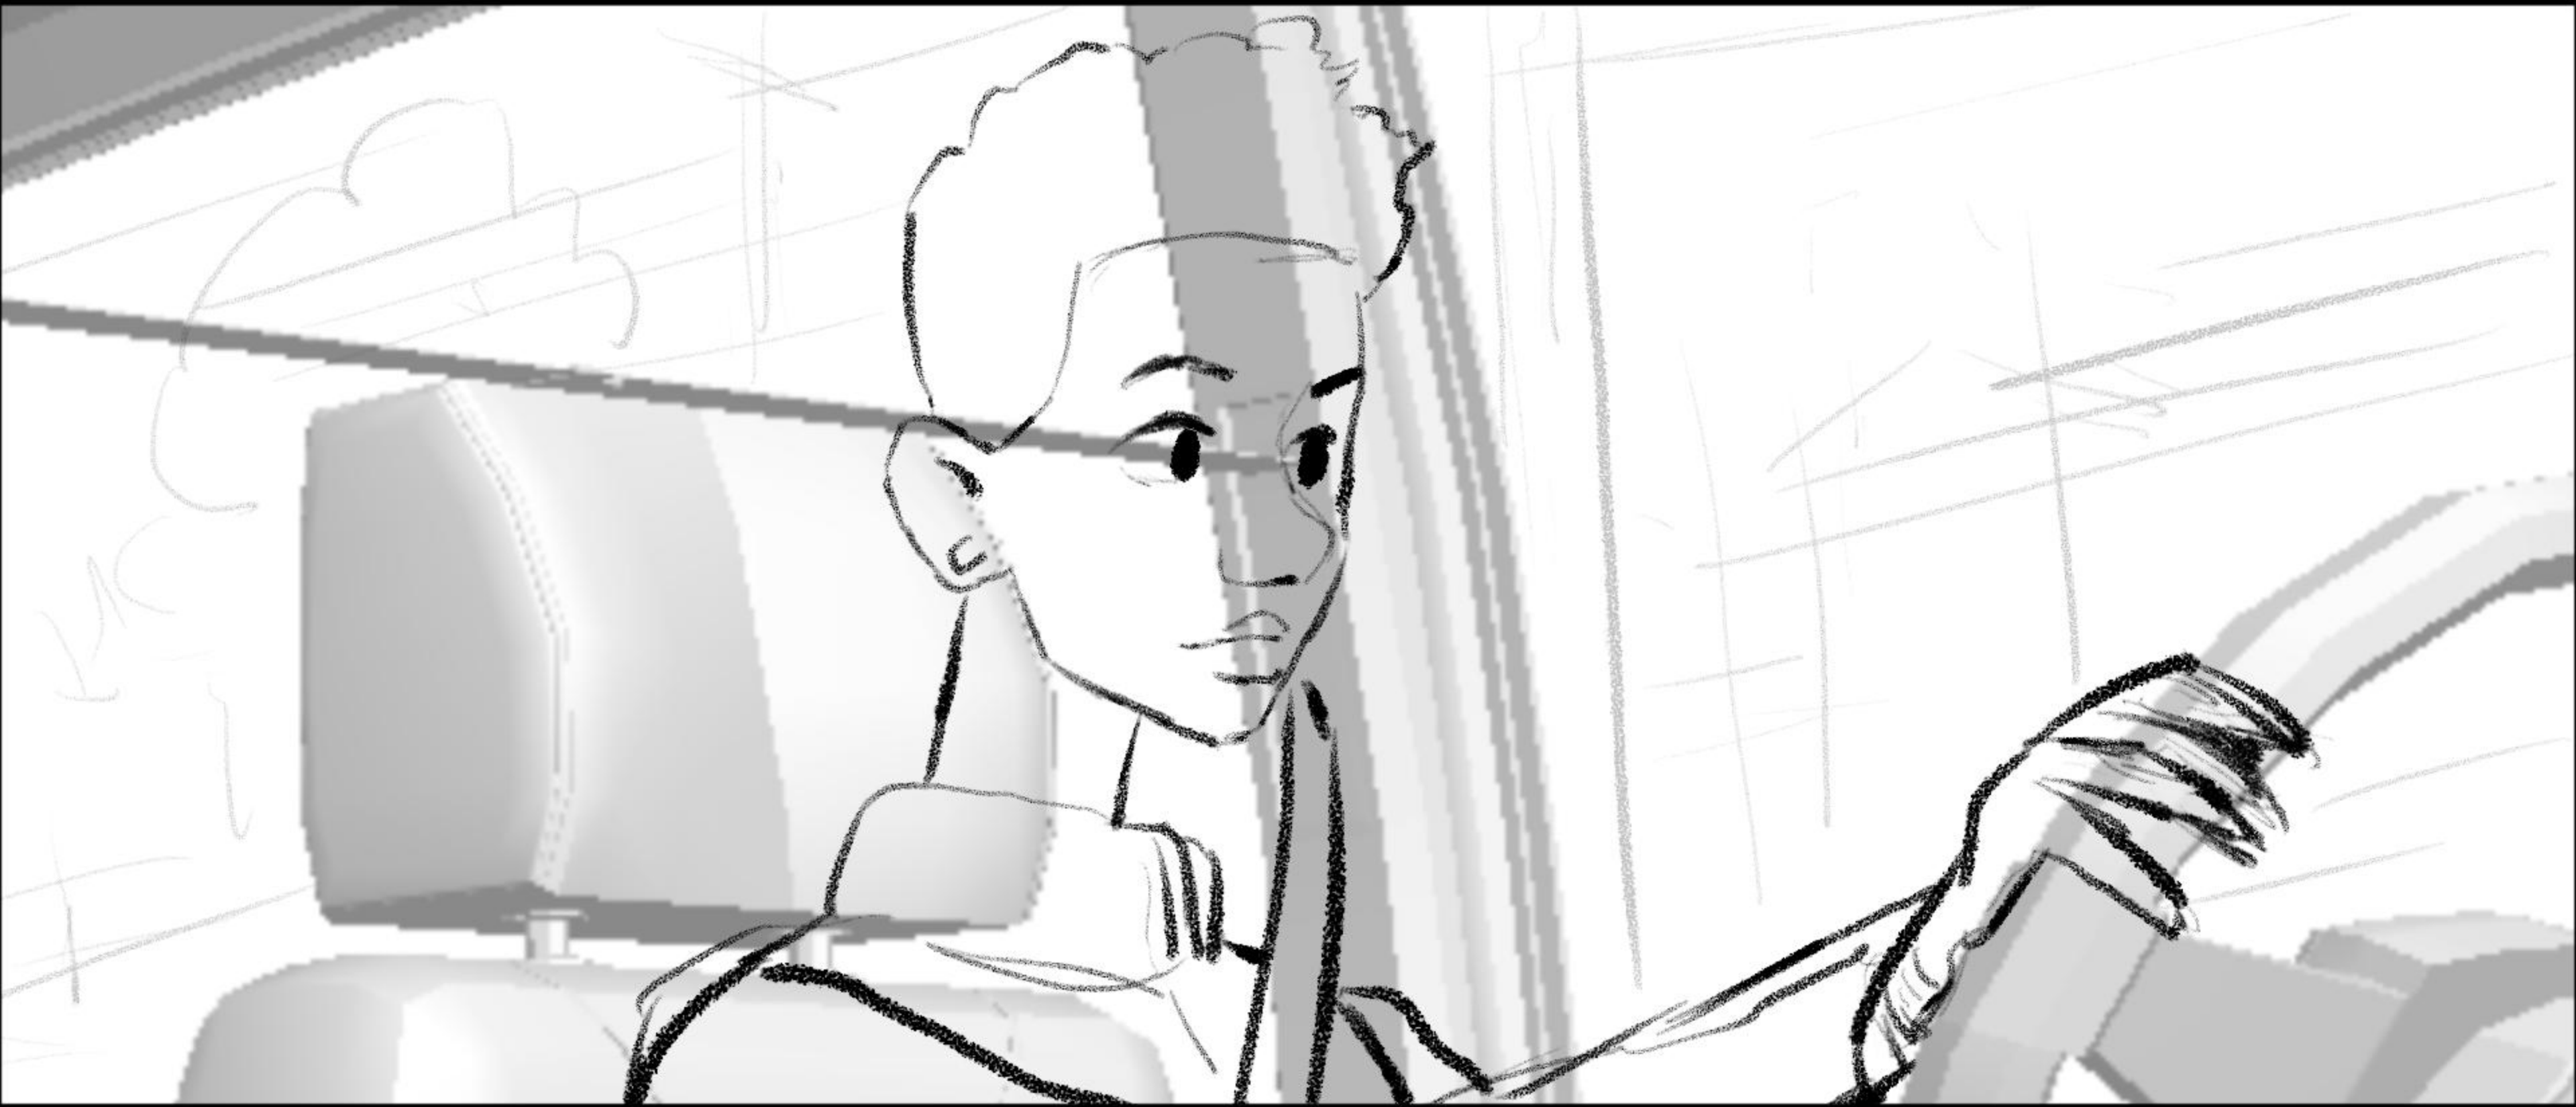

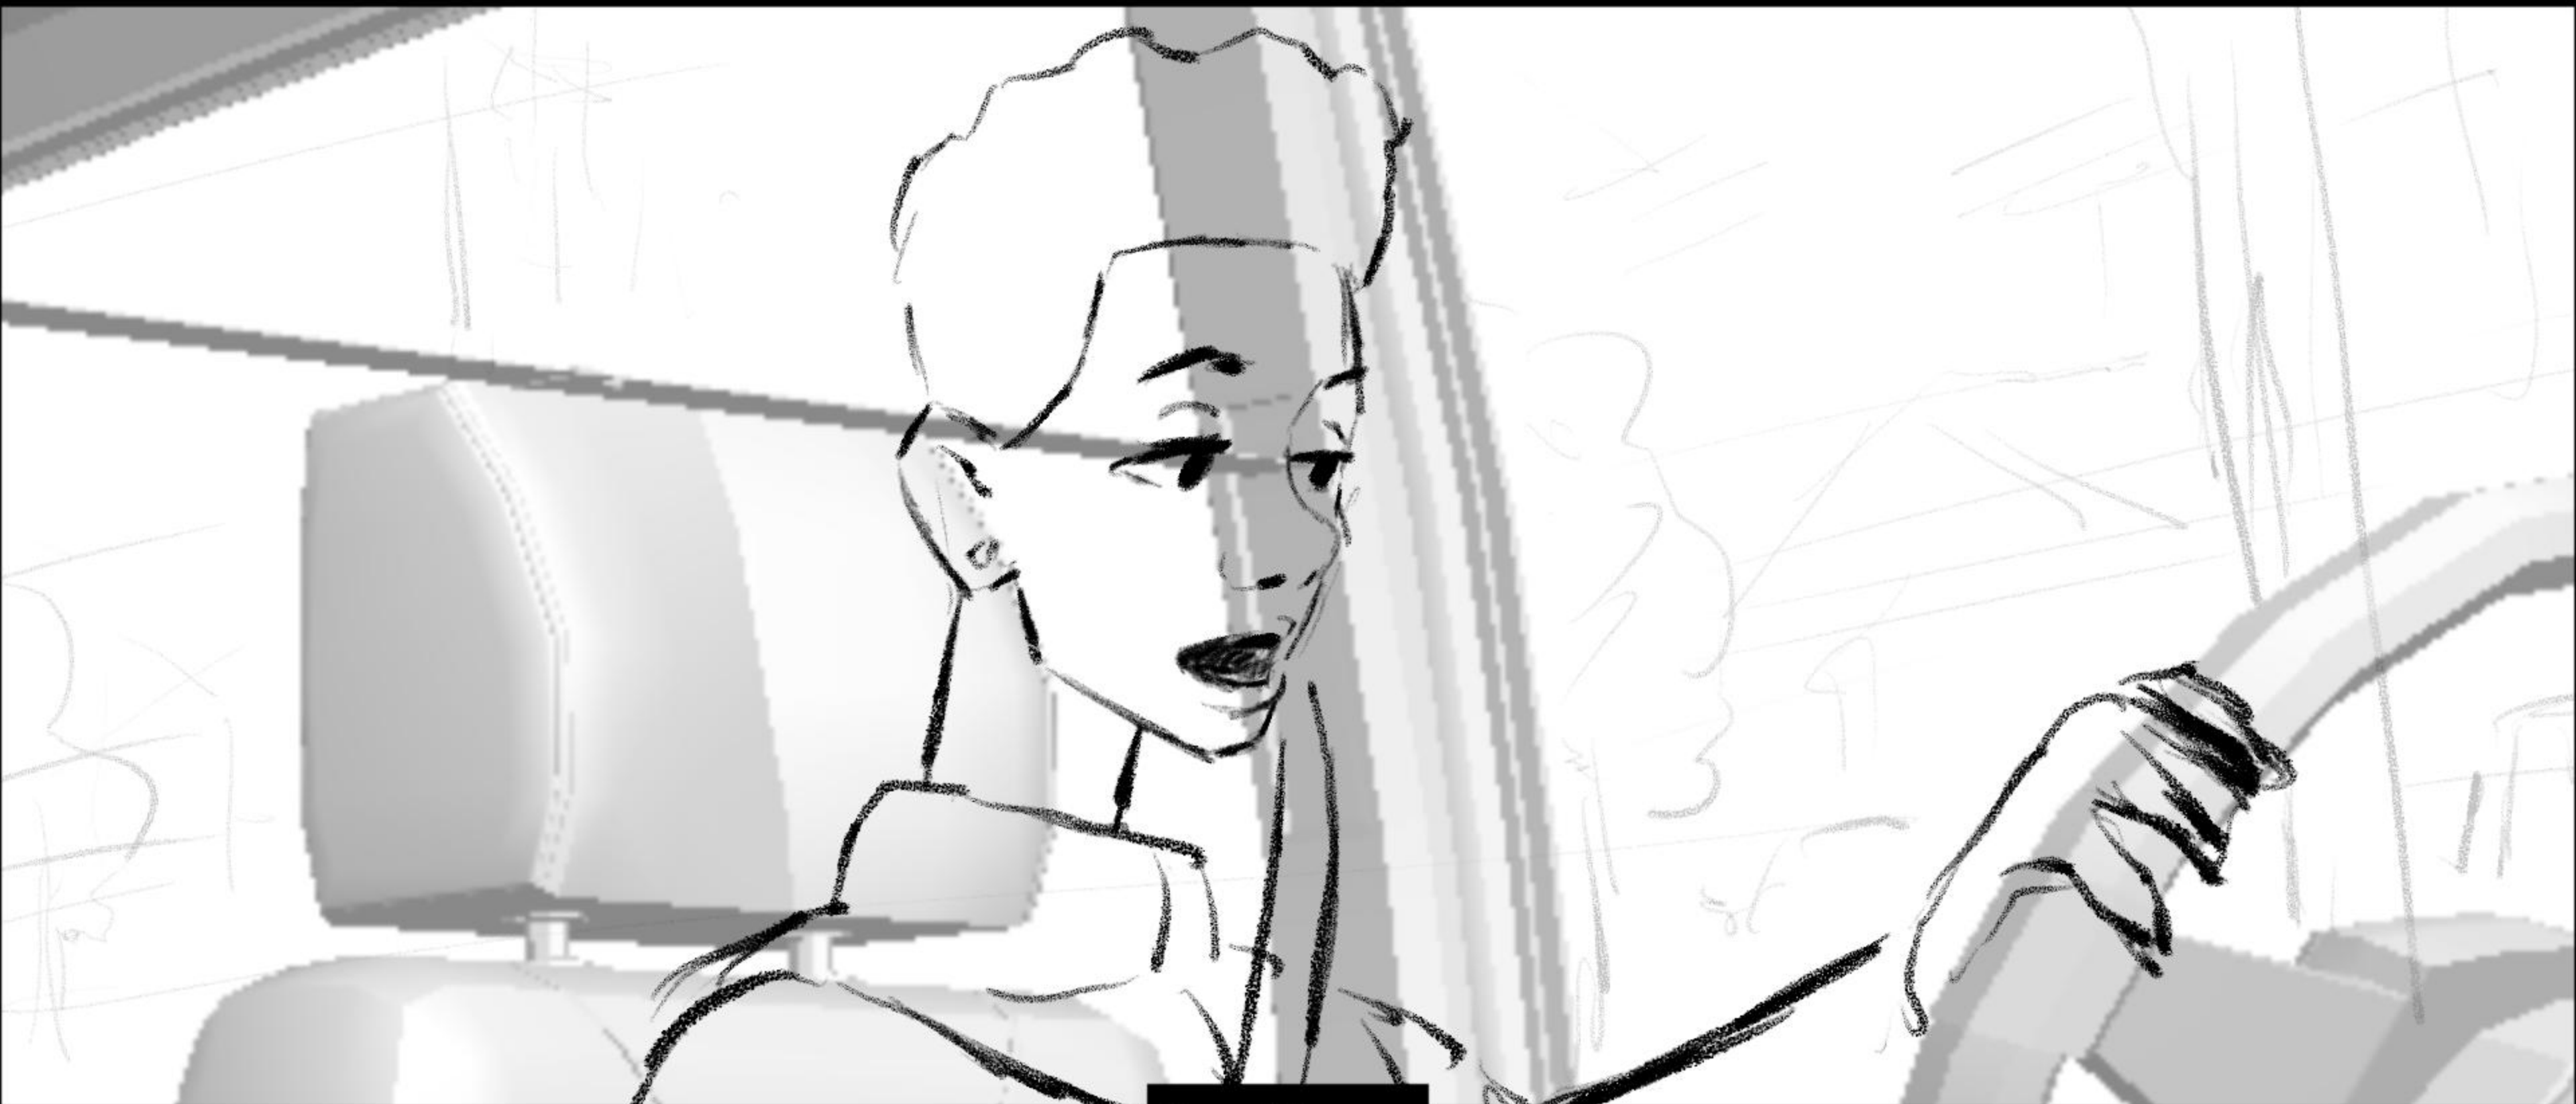

This isn't about keeping score between me and Dad...

Cuz if it was,

that game would be a shut out.
